Moonachie Families & Friends -

This letter is to notify you that a Positive Case for COVID-19 was reported this weekend. Contact tracing occurred throughout the weekend and concluded this morning.

The individual has reported to be feeling better today.

Every parent whose son/daughter was identified to have been in close-contact with the person who tested positive, as defined by the NJDOH for schools, has been notified and subsequently quarantined. If you did not receive a call, your child was not identified as a contact.

The Moonachie School District continues to work closely with the Bergen County Department of Health and we are following the policies and procedures the district developed in accordance with CDC, State, and Local health guidance to ensure the health and safety of everyone within our community.

We will continue to deliver as much information as possible in a timely manner.

With each Positive Case for COVID-19, we will keep our school community informed.

Should you have any questions, please contact me directly at jknipper@moonachieschool.org. Stay safe.

Sincerely,

James Knipper
Superintendent/Principal
