Moonachie Families & Friends,

We received great news this week that we were awarded the 21<sup>st</sup> Century YMCA grant for the next 5 school years! This grant allows for free after school programming for all students in grades 3 – 8.

This program is set to launch on Monday September 9<sup>th</sup> and run daily from 3:15pm-6:00pm.

If your student is in grades 3-8 and you're interested in this opportunity, please fill out the attached google form here:

If your student is in grades k-2, our tuition-based SACC after school program is available for registration at the main office.

Transportation information, with times and bus stops, were mailed home yesterday, August 28<sup>th</sup>. If your student is entitled to bussing, you should be receiving that information via USPS shortly.

Next week we will be sending out the Free-and-Reduced Lunch application as well as RealTime Parent Portal login information.

We hope everyone has a restful and fun Labor Day weekend! Please refer to the prior community update for more information on the first day and week(s) of school.

Best,

James Knipper
