- select
- trace
- write

Content Vocabulary

Topic: *Spatial Thinking and Skills 1*

- spatial thinking
- geographic representations
- global positioning systems

- remote sensing
- geographic visualization

Topic: *Spatial Thinking and Skills 2*

- global influence
- geospatial technology

- geographic problems

Topic: *Environment and Society 3*

- human modification
- physical environment

- region
- World Bank

Topic: *Environment and Society 4*

- physical environment
- flood plains
- terraced farming
- hydroelectric plants

- hydroelectric dam
- solar panels
- insulation

Topic: *Environment and Society 5*

- physical processes
- internal processes
- renewable resources
- nonrenewable resources

- external forces
- human wants
- flow resources

Social Studies: World Geography

Topic: *Environment and Society 6*

- renewable resources
- nonrenewable resources
- flow resources
- environmental impact

Topic: *Environment and Society 7*

- systemic beliefs
- cultural characteristics
- technological resources
- human interaction

Topic: *Movement 8*

- push pull factors
- human migrations
- emigration
- immigration
- natural disasters

Topic: *Movement 9*

- migrate
- the migrations
- physical and human systems
- suburbanization
- animal habitats
- traffic patterns
- central cities
- traffic-engineering studies

Topic: *Movement 10*

- global interdependence
- communication networks
- distribution
- goods and services
- computer systems
- technicians
- components

Topic: *Region 11*

- criteria
- types of regions

Topic: *Region 12*

- characteristics
- regional change
- industrial belt
- rust belt
- Amazon Region

Topic: *Region 13*

- physical regions
- human regions
- interconnections
- region
- Caribbean Sea
- West Indies
- Euro Rail
- commerce
- NAFTA

Social Studies: World Geography

Topic: *Region 14*

- desertification
- political disputes
- economic unions

Topic: *Human Settlement 15*

- spatial patterns
- static
- human settlements
- functions, dimensional

Topic: *Human Settlement 16*

- suburbs
- habitat
- central markets
- squatter
- city outskirts
- regional specialization in services or products
- ethnic enclaves

Topic: *Globalization 17*

- globalization
- cultural ideas
- economic ideas
- political ideas
- universal human rights
- European Union
- terrorist networks

Topic: *Globalization 18*

- globalization
- cultural ideas
- economic ideas
- political ideas
- universal human rights
- European Union
- terrorist networks

Topic: *Globalization 19*

- global trade
- communication systems
- effect of time on
- distribution of goods
- services and information
