"Sick leave" means the illness of an immediate family member or the an employee's absence from duty because of their own illness or non-job-related injury which prevents the employee from working, the illness or injury of an immediate family member or, for any other reason set forth in the Oregon Sick Time Law. Immediate family is defined as: spouse, domestic partner, children, grandchildren, parents, grandparents, brothers and sisters, and parents of the spouse and those in loco parentis to the employee or the employee's spouse.

"Family member" is defined as an employee's spouse, same-gender domestic partner, custodial parent, non-custodial parent, adoptive parent, foster parent, biological parent, stepparent, parent-in-law, a parent of an employee's same-gender domestic partner, an employee's grandparent or grandchild, or a person with whom the employee is or was in a relationship of in loco parentis. An employee's child in any of these categories may be either a minor or an adult at the time qualifying leave pursuant to these rules is taken.

B. ~~In accordance with the provisions of ORS 332.507, s~~Sick leave shall be granted to all employees on the basis of one (1) day's leave for each month of regular employment with a minimum of ten (10) days and a maximum of twelve (12) days sick leave for a full year of employment. Less than twelve (12) month employees who work in their regular job classification during July and August will be credited with one (1) day of sick leave (calculated on their summer daily work hours) provided they work at least twenty (20) days per month. Sick leave shall be accumulative during the continuous service of the employee to this District. Sick leave shall be credited to said personnel on a monthly basis for each month worked. Employees will have sick leave available (accrued as of the last day of the month prior to his/her their absence) for use. ~~Balances showing on Employee Online Services may reflect more leave than is currently usable, as this system is updated once per month. Online platforms that enable employees to access and manage their HR and payroll information are updated monthly and may not accurately reflect current sick leave balances.~~

C. Employee sick leave is pro-rated within each contract year. Employee pay will be deducted for any days on leave for which paid sick leave is unavailable. Upon an employee's separation from the District, any sick leave used but not earned by the time of separation will be deducted from the employee's final paycheck.

GD. Any employee who is absent because of illness for five (5) or more consecutive ~~school~~ work days or who shows a pattern in use of sick leave which gives rise to a suspicion of abuse of the sick leave benefit may be interviewed ~~required~~ by their supervisor ~~to file with Human Resources a certificate from their physician attesting to such illness. Such a physician's certificate may be required at the end of each payroll period during an extended absence.~~

D. ~~As provided in ORS 238.350, U~~unless otherwise prohibited by law, Tier one (1) and Tier two (2) retiring employees shall be compensated through the Public Employees Retirement System for accumulated unused sick leave in the form of increased retirement benefits upon service or disability retirement.

The following schedule will apply once only during an employee's career with the District:

One to five (1-5) years of District experience: two-third's salary for five (5) days

Six to ten (6-10) year of District experience: two-third's salary for ten (10) days

Eleven (11) or more years of District experience: two-third's salary for twenty (20) days

Any sick leave days at two-thirds pay used during one of the above periods (e.g., **one to five** (1-5) years District experience) will be subtracted from the days available during another period (e.g., **six to ten** (6-10) years of District experience).
