COPAYMENT SUMMARY a uniform health plan benefit and coverage matrix

THIS MATRIX IS INTENDED TO BE USED TO HELP YOU COMPARE COVERAGE BENEFITS AND IS A SUMMARY ONLY. THE EVIDENCE OF COVERAGE/DISCLOSURE FORM AND PLAN CONTRACT SHOULD BE CONSULTED FOR A DETAILED DESCRIPTION OF COVERAGE BENEFITS AND LIMITATIONS.

ANNUAL DEDUCTIBLE

The **medical deductible** is the amount of money a member or family must pay for certain covered services before WHA is responsible for those covered services. Each member enrolled as a family must meet the Individual with Family coverage amount or the Family coverage amount, whichever is met first. Once the deductible is met, the relevant copayment(s) will apply. Amounts paid for non-covered services do not count toward a member's deductibles.

member responsibility	**Medical Deductible** • AD = After Deductible
$1,000	Self-only coverage
$1,000	Individual with Family coverage
$2,000	Family coverage
none	**Pharmacy Deductible**

ANNUAL OUT-OF-POCKET MAXIMUM

The **out-of-pocket maximum** is the most a member or family will pay in a calendar year for covered services/medications. Once the deductible and copayment costs reach the annual out-of-pocket maximum, WHA will cover 100% of the covered services/medications for the remainder of the calendar year. Amounts paid for non-covered services/medications do not count toward a member's out-of-pocket maximum.

member responsibility	**Out-of-Pocket Maximum**
$5,000	Self-only coverage
$5,000	Individual with Family coverage
$10,000	Family coverage
none	Lifetime maximum

PRESCRIPTION DRUG COVERAGE

Under this Prescription Plan, Western Health Advantage shall cover:

- Medications that require a Prescription by state or federal law, are written by a Participating Provider or pharmacist, when prescribed in connection with a covered service, and dispensed at a Participating Pharmacy
- Medications dispensed by a non-Participating Pharmacy outside of WHA's service area for urgent or emergency care only (the receipt may be submitted to WHA for reimbursement)
- Compounded Prescriptions for which there is no FDA-approved alternative and which contain at least one Prescription ingredient
- Insulin, insulin syringes with needles, glucose test strips and tablets
- Prescription medications as subject to conditions, limitations and exclusions stated in the Combined Evidence of Coverage and Disclosure Form (EOC/DF), available when logged in at **mywha.org**

Covered medications included in a member's Prescription drug plan are categorized as Tier 1, 2, 3 or 4 in WHA's Preferred Drug List (PDL). A member's PDL can be requested by calling WHA Member Services or viewed online at mywha.org/Rx.

NOTE: All medications included in the PDL are evaluated regularly for their efficacy, quality, safety, similar alternatives, and cost to ensure rational, cost-effective use of pharmaceutical agents. A drug's presence on the PDL does not guarantee that the member's Participating Provider will prescribe the drug. There are a small number of drugs, regardless of tier, that may require prior authorization to ensure appropriate use based on criteria set by WHA.

Preventive medications, supplements and vaccines: Aspirin, folic acid (including in prenatal vitamins), fluoride for preschool age children, tobacco cessation medication, contraceptives, and preventive vaccines, including those for flu and COVID-19, are covered without member cost-sharing; see Appendix A in your EOC/DF for a complete list. Generic required if available.

A member's copayment or cost share will not exceed the cost of the drug dispensed. If a Tier 1 medication is available and the member elects to receive a medication from Tier 2, 3 or 4 without medical indication from the Prescribing Provider, the member will be responsible for the applicable Tier 2-4 copayment plus the difference in cost between the Tier 1 medication and the purchased medication. The amount paid for the difference in cost does not apply to the deductible or contribute to the out-of-pocket maximum. Prescription copayments contribute to the medical annual out-of-pocket maximum unless copayment is for the treatment of fertility or infertility when coverage is elected by the employer.

MANAGING YOUR DEDUCTIBLE PLAN: To review amounts applied to your annual deductible and out-of-pocket (OOP) maximum, simply access your accumulator at mywha.org. If you have any questions about how much has been applied to your deductible or annual OOP maximum, or whether certain payments you have made apply to the OOP maximum, call WHA Member Services. Once you have satisfied your OOP maximum, you may request a written statement confirming that you do not have to pay any more copayment or deductible amounts for covered services through the end of the calendar year.
