What is the IDEA?

IDEA is a federal law that requires school districts to provide a “free appropriate public education” (FAPE) to eligible children with disabilities. A free appropriate public education means that special education and related services are to be provided as described in an individualized education program (IEP) and under public supervision to your child at no cost to you.

May I participate in decisions about my child’s education?

You must be given the opportunity to participate in any decision-making meeting regarding your child’s special education program. You have the right to participate in IEP team meetings about the identification (eligibility), assessment, or educational placement of your child and other matters relating to your child’s FAPE. (20 *USC* Section 1414[d] [1]B–[d][1][D]; 34 *CFR* Section 300.321; *EC* Section 56341[b], and *EC* Section 56343[c])

The parent or guardian, and the local educational agency (LEA), has the right to participate in the development of the IEP and to initiate their intent to electronically audiotape the proceedings of the IEP team meetings. At least 24 hours prior to the meeting, the parent or guardian shall notify the members of the IEP team of their intent to record a meeting. If the parent or guardian does not consent to the LEA audiotape recording an IEP meeting, the meeting shall not be recorded on an audiotape recorder.

Your rights include information about the availability of FAPE, including all program options, and all available alternative programs, both public and nonpublic. (20 *USC* sections 1401[3], and 1412[a][3]; 34 *CFR* Section 300.111; *EC* sections 56301, 56341.1[g][1], and 56506)

Where can I get more help?

When you have a concern about your child’s education, it is important that you contact your child’s teacher or administrator to talk about your child and any problems you see. Staff in your school district or special education local plan area (SELPA) may answer questions about your child’s education, your rights, and procedural safeguards. Also, when you have a concern, this informal conversation often solves the problem and helps to maintain open communication.

You may also want to contact one of the California parent organizations such as the Family Empowerment Centers on Disability (FECs) or the Parent Training and Information Centers (PTICs) located across the state. These organizations were established to increase collaboration between parents and educators to improve the educational system and provide information, training, and additional resources for families of students and young adults with disabilities. Contact information for these organizations is found on the CDE, Special Education California Parent Organizations web page at <https://www.cde.ca.gov/sp/se/qa/caprintorg.asp>.

Additional resources are listed at the end of this document to help you understand the procedural safeguards.

What if my child is deaf, hard of hearing, blind, visually impaired, or deaf-blind?

The State Special Schools provide services to students who are deaf, hard of hearing, blind, visually impaired, or deaf-blind at each of its three facilities: the California Schools for the Deaf in Fremont and Riverside and at the California School for the Blind in Fremont. Residential and day school programs are offered to students from infancy to age 21 at both State Schools for the Deaf. Such programs are offered to students aged 5 through 21 at the California School for the Blind. The State Special Schools also offer assessment services and technical assistance. For more information about the State Special Schools, please visit the CDE, State Special Schools web page at <https://www.cde.ca.gov/sp/ss/index.asp>, or ask for more information from the members of your child's IEP team.

Notice, Consent, Assessment, Surrogate Parent Appointment, and Access to Records

Prior Written Notice

When is a notice needed?

This notice must be given when the school district proposes or refuses to initiate a change in the identification, assessment, or educational placement of your child with special needs or the provision of a FAPE. (20 *USC* sections 1415[b][3] and (4), 1415[c][1], and 1414[b][1]; 34 *CFR* Section 300.503; *EC* sections 56329 and 56506[a])

The school district must inform you about proposed evaluations of your child in a written notice or an assessment plan within 15 days of your written request for evaluation. The notice must be understandable and in your native language or other mode of communication, unless it is clearly not feasible to do so. (34 *CFR* Section 300.304; *EC* Section 56321)

What will the notice tell me?

The prior written notice must include the following:

1. A description of the actions proposed or refused by the school district
2. An explanation of why the action was proposed or refused
3. A description of each assessment procedure, record, or report the agency used as a basis for the action proposed or refused
4. A statement that parents of a child with a disability have protection under the procedural safeguards
5. Sources for parents to contact to obtain assistance in understanding the provisions of this part
6. A description of other options that the IEP team considered and the reasons those options were rejected; and

7. A description of any other factors relevant to the action proposed or refused. (20 *USC* sections 1415[b][3] and [4], 1415[c][1], and 1414[b][1]; 34 *CFR* Section 300.503)

Parental Consent

When is my approval required for assessment?

You have the right to refer your child for special education services. You must give informed, written consent before your child's first special education assessment can proceed. The parent has at least 15 days from the receipt of the proposed assessment plan to arrive at a decision. The assessment may begin immediately upon receipt of the consent and must be completed and an IEP developed within 60 days of your consent.

When is my approval required for services?

You must give informed, written consent before your school district can provide your child with special education and related services.

What are the procedures when a parent does not provide consent?

If you do not provide consent for an initial assessment or fail to respond to a request to provide the consent, the school district may pursue the initial assessment by utilizing due process procedures.

If you refuse to consent to the initiation of services, the school district must not provide special education and related services and shall not seek to provide services through due process procedures.

If you consent in writing to the special education and related services for your child but do not consent to all of the components of the IEP, those components of the program to which you have consented must be implemented without delay.

If the school district determines that the proposed special education program component to which you do not consent is necessary to provide a FAPE to your child, a due process hearing must be initiated. If a due process hearing is held, the hearing decision shall be final and binding.

In the case of reevaluations, the school district must document reasonable measures to obtain your consent. If you fail to respond, the school district may proceed with the reevaluation without your consent. (20 *USC* sections 1414[a][1][D] and 1414[c]; 34 *CFR* Section 300.300; *EC* sections 56506[e], 56321[c] and [d], and 56346).

When may I revoke consent?

If at any time subsequent to the initial provision of special education and related services, the parent of a child revokes consent in writing for the continued provision of special education and related services, the public agency:

1. May not continue to provide special education and related services to the child, but must provide prior written notice in accordance with 34 *CFR* Section 300.503 before ceasing such services
2. May not use the procedures in subpart E of Part 300 34 *CFR* (including the mediation procedures under 34 *CFR* Section 300.506 or the due process procedures under 34 *CFR* Sections 300.507 through 300.516) in order to obtain agreement or a ruling that the services may be provided to the child
3. Will not be considered to be in violation of the requirement to make a FAPE available to the child because of the failure to provide the child with further special education and related services
4. Is not required to convene an IEP team meeting or develop an IEP under 34 *CFR* sections 300.320 and 300.324 for the child for further provision of special education and related services

Please note, in accordance with 34 *CFR* Section 300.9 (c)(3), that if the parents revoke consent in writing for their child's receipt of special education services after the child is initially provided special education and related services, the public agency is not required to amend the child's education records to remove any references to the child's receipt of special education and related services because of the revocation of consent.

Surrogate Parent Appointment

What if a parent cannot be identified or located?

School districts must ensure that an individual is assigned to act as a surrogate parent for the parents of a child with a disability when a parent cannot be identified and the school district cannot discover the whereabouts of a parent.

A surrogate parent may also be appointed if the child is an unaccompanied homeless youth, an adjudicated dependent or ward of the court under the state Welfare and Institution Code, and is referred to special education or already has an IEP. (20 *USC* Section 1415[b][2]; 34 *CFR* Section 300.519; *EC* Section 56050; *Government Code* Section 7579.5 and 7579.6)

Nondiscriminatory Assessment

How is my child assessed for special education services?

You have the right to have your child assessed in all areas of suspected disability. Materials and procedures used for assessment and placement must not be racially, culturally, or sexually discriminatory.

Assessment materials must be provided and the test administered in your child's native language or mode of communication and in the form most likely to yield accurate information on what the child knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to so provide or administer.

No single procedure can be the sole criterion for determining eligibility and developing FAPE for your child. (20 *USC* sections 1414[b][1]–[3], 1412[a][6][B]; 34 *CFR* Section 300.304; *EC* sections 56001[j] and 56320)

Independent Educational Assessments

May my child be tested independently at the district's expense?

If you disagree with the results of the assessment conducted by the school district, you have the right to ask for and obtain an independent educational assessment for your child from a person qualified to conduct the assessment at public expense.

The parent is entitled to only one independent educational evaluation at public expense each time the public agency conducts an evaluation with which the parent disagrees.

The school district must respond to your request for an independent educational assessment and provide you information about where to obtain an independent educational assessment.

If the school district believes that the district's assessment is appropriate and disagrees that an independent assessment is necessary, the school district must request a due process hearing to prove that its assessment was appropriate. If the district prevails, you still have the right to an independent assessment but not at public expense. The IEP team must consider independent assessments.

District assessment procedures allow in-class observation of students. If the school district observes your child in his or her classroom during an assessment, or if the school district would have been allowed to observe your child, an individual conducting an independent educational assessment must also be allowed to observe your child in the classroom.

If the school district proposes a new school setting for your child and an independent educational assessment is being conducted, the independent assessor must be allowed to first observe the proposed new setting. (20 *USC* sections 1415[b][1] and [d][2][A]; 34 *CFR* Section 300.502; *EC* Section 56329[b] and [c])

Access to Educational Records

May I examine my child's educational records?

You have a right to inspect and review all of your child's education records without unnecessary delay, including prior to a meeting about your child's IEP or before a due process hearing. The school district must provide you access to records and copies, if requested, within five **business** days after the request has been made orally or in writing. (*EC* sections 49060, 56043[n], 56501[b][3], and 56504)

How Disputes Are Resolved

Due Process Hearing

When is a due process hearing available?

You have the right to request an impartial due process hearing regarding the identification, assessment, and educational placement of your child or the provision of FAPE. The request for a due process hearing must be filed within two years from the date you knew or should have known about the alleged action that forms the basis of the due process complaint. (20 *USC* Section 1415[b][6]; 34 *CFR* Section 300.507; *EC* sections 56501 and 56505[l])

Mediation and Alternative Dispute Resolution

May I request mediation or an alternative way to resolve the dispute?

A request for mediation may be made either before or after a request for a due process hearing is made.

You may ask the school district to resolve disputes through mediation or alternative dispute resolution (ADR), which is less adversarial than a due process hearing. The ADR and mediation are voluntary methods of resolving a dispute and may not be used to delay your right to a due process hearing.

What is a pre-hearing mediation conference?

You may seek resolution through mediation prior to filing a request for a due process hearing. The conference is an informal proceeding conducted in a nonadversarial manner to resolve issues relating to the identification, assessment, or educational placement of a child or to a FAPE.

At the prehearing mediation conference, the parent or the school district may be accompanied and advised by nonattorney representatives and may consult with an attorney prior to or following the

conference. However, requesting or participating in a prehearing mediation conference is not a prerequisite to requesting a due process hearing.

All requests for a prehearing mediation conference shall be filed with the Superintendent of the Office of Administrative Hearings (OAH). The party initiating a prehearing mediation conference by filing a written request with the Superintendent of the OAH shall provide the other party to the mediation with a copy of the request at the same time the request is filed.

The prehearing mediation conference shall be scheduled within 15 days of receipt by the Superintendent of the OAH of the request for mediation and shall be completed within 30 days after receipt of the request for mediation unless both parties agree to extend the time. If a resolution is reached, the parties shall execute a legally binding written agreement that sets forth the resolution. All discussions during the mediation process shall be confidential. All prehearing mediation conferences shall be scheduled in a timely manner and held at a time and place reasonably convenient to the parties. If the issues fail to be resolved to the satisfaction of all parties, the party who requested the mediation conference has the option of filing for a due process hearing. (*EC* sections 56500.3 and 56503)

Due Process Rights

What are my due process rights?

You have a right to:

1. Have a fair and impartial administrative hearing at the state level before a person who is knowledgeable of the laws governing special education and administrative hearings (20 *USC* sections 1415[f][1][A], and 1415[f][3][A]-[D]; 34 *CFR* Section 300.511; *EC* Section 56501[b][4])
2. Be accompanied and advised by an attorney and/or individuals who have knowledge about children with disabilities (*EC* Section 56505 [e][1])
3. Present evidence, written arguments, and oral arguments (*EC* Section 56505[e][2])
4. Confront, cross-examine, and require witnesses to be present (*EC* Section 56505[e][3])
5. Receive a written or, at the option of the parent, an electronic verbatim record of the hearing, including findings of fact and decisions (*EC* Section 56505[e][4])
6. Have your child present at the hearing (*EC* Section 56501[c][1])
7. Have the hearing be open or closed to the public (*EC* Section 56501[c][2])
8. Receive a copy of all documents, including assessments completed by that date and recommendations, and a list of witnesses and their general area of testimony within five (5) business days before a hearing (*EC* sections 56505[e][7] and 56043[v])
9. Be informed by the other parties of the issues and their proposed resolution of the issues at least ten (10) calendar days prior to the hearing (*EC* Section 56505[e][6])

10. Have an interpreter provided (*California Code of Regulations*, Title 5 (5 CCR) Section 3082[d])
11. Request an extension of the hearing timeline (*EC* Section 56505[f][3])
12. Have a mediation conference at any point during the due process hearing (*EC* Section 56501[b][2]), and
13. Receive notice from the other party at least ten days prior to the hearing that the other party intends to be represented by an attorney (*EC* Section 56507[a]). (20 *USC* Section 1415[e]; 34 *CFR* sections 300.506, 300.508, 300.512 and 300.515)

Filing a Written Due Process Complaint

How do I request a due process hearing?

You need to file a written request for a due process hearing. You or your representative needs to submit the following information in your request:

1. Name of the child
2. Address of the residence of the child
3. Name of the school the child is attending
4. In the case of a homeless child, available contact information for the child and the name of the school the child is attending, and
5. A description of the nature of the problem, including facts relating to the problem(s) and a proposed resolution of the problem(s)

Federal and state laws require that either party filing for a due process hearing must provide a copy of the written request to the other party. (20 *USC* sections 1415[b][7], and 1415[c][2]; 34 *CFR* Section 300.508; *EC* Section 56502[c][1])

Prior to filing for a due process hearing, the school district shall be provided the opportunity to resolve the matter by convening a resolution session, which is a meeting between the parents and the relevant members of the IEP team who have specific knowledge of the facts identified in the due process hearing request. (20 *USC* Section 1415[f][1][B]; 34 *CFR* Section 300.510)

What does a resolution session include?

Resolution sessions shall be convened within 15 days of receiving notice of the parents' due process hearing request. The sessions shall include a representative of the school district who has decision-making authority and not include an attorney of the school district unless the parent is accompanied by an attorney. The parent of the child may discuss the due process hearing issue and the facts that form the basis of the due process hearing request.

The resolution session is not required if the parent and the school district agree in writing to waive the meeting. If the school district has not resolved the due process hearing issue within 30 days, the due process hearing may occur. If a resolution is reached, the parties shall execute a legally binding agreement. (20 *USC* Section 1415[f][1][B]; 34 *CFR* Section 300.510)

Does my child's placement change during the proceedings?

The child involved in any administrative or judicial proceeding must remain in the current educational placement unless you and the school district agree on another arrangement. If you are applying for initial admission of your child to a public school, your child will be placed in a public school program with your consent until all proceedings are completed. (20 *USC* Section 1415[j]; 34 *CFR* Section 300.518; *EC* Section 56505[d])

May the decision be appealed?

The hearing decision is final and binding on both parties. Either party may appeal the hearing decision by filing a civil action in state or federal court within 90 days of the final decision. (20 *USC* sections 1415[i][2] and [3][A], and 1415[l]; 34 *CFR* Section 300.516; *EC* Section 56505[h] and [k], *EC* Section 56043[w])

Who pays for my attorneys' fees?

In any action or proceeding regarding the due process hearing, the court, in its discretion, may award reasonable attorneys' fees as part of the costs to you as parent of a child with a disability if you are the prevailing party in the hearing. Reasonable attorneys' fees may also be made following the conclusion of the administrative hearing, with the agreement of the parties. (20 *USC* Section 1415[i][3][B]–[G]; 34 *CFR* Section 300.517; *EC* Section 56507[b])

Fees may be reduced if any of the following conditions prevail:

1. The court finds that you unreasonably delayed the final resolution of the controversy
2. The attorneys' hourly fees exceed the prevailing rate in the community for similar services by attorneys of reasonably comparable skill, reputation, and experience
3. The time spent and legal services provided were excessive, or
4. Your attorney did not provide to the school district the appropriate information in the due process request notice.

Attorneys' fees will not be reduced, however, if the court finds that the State or the school district unreasonably delayed the final resolution of the action or proceeding or that there was a violation of this section of law. (20 *USC* Section 1415[i][3][B]–[G]; 34 *CFR* Section 300.517)

Attorneys' fees relating to any meeting of the IEP team may not be awarded unless an IEP team meeting is convened as a result of a due process hearing proceeding or judicial action. Attorneys' fees may also

be denied if you reject a reasonable settlement offer made by the district/public agency 10 days before the hearing begins and the hearing decision is not more favorable than the offer of settlement. (20 *USC* Section 1415[i][3][B]–[G]; 34 *CFR* Section 300.517)

School Discipline and Placement Procedures for Students with Disabilities

School Discipline and Alternative Interim Educational Settings

May my child be suspended or expelled?

School personnel may consider any unique circumstances on a case-by-case basis when determining whether a change in placement is appropriate for a child with a disability who violates a code of student conduct from his or her setting to:

- An appropriate interim alternative education setting, another setting, or suspension for not more than 10 consecutive school days
- Additional removals of not more than 10 consecutive school days in the same school year for separate incidents of misconduct

What occurs after a removal of more than 10 days?

After a child with a disability has been removed from his or her current placement for 10 school days in the same school year, during any subsequent days of removal the public agency must provide services to enable the child to continue to participate in the general education curriculum and progress toward meeting the goals set out in the child's IEP. Also, a child will receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, which are designed to address the behavior violation so that it does not recur.

If a child exceeds 10 days in such a placement, an IEP team meeting must be held to determine whether the child's misconduct is caused by the disability. This IEP team meeting must take place immediately, if possible, or within 10 days of the school district's decision to take this type of disciplinary action.

As a parent you will be invited to participate as a member of this IEP team. The school district may be required to develop an assessment plan to address the misconduct or, if your child has a behavior intervention plan, review and modify the plan as necessary.

What happens if the IEP team determines that the misconduct is not caused by the disability?

If the IEP team concludes that the misconduct was not a manifestation of the child's disability, the school district may take disciplinary action, such as expulsion, in the same manner as it would for a child without a disability. (20 *USC* Section 1415[k][1] and [7]; 34 *CFR* Section 300.530)

If you disagree with the IEP team's decision, you may request an expedited due process hearing, which must occur within 20 school days of the date on which you requested the hearing. (20 *USC* Section 1415[k][2]; 34 *CFR* Section 300.531[c])

Regardless of the setting the school district must continue to provide FAPE for your child. Alternative educational settings must allow the child to continue to participate in the general curriculum and ensure continuation of services and modifications detailed in the IEP. (34 *CFR* Section 300.530; *EC* Section 48915.5[b])

Children Attending Private School

May students who are parentally placed in private schools participate in publicly funded special education programs?

Children who are enrolled by their parents in private schools may participate in publicly funded special education programs. The school district must consult with private schools and with parents to determine the services that will be offered to private school students. Although school districts have a clear responsibility to offer FAPE to students with disabilities, those children, when placed by their parent in private schools, do not have the right to receive some or all of the special education and related services necessary to provide FAPE. (20 *USC* Section 1415[a][10][A]; 34 *CFR* sections 300.137 and 300.138; *EC* Section 56173)

If a parent of an individual with exceptional needs who previously received special education and related services under the authority of the school district enrolls the child in a private elementary school or secondary school without the consent of or referral by the local educational agency, the school district is not required to provide special education if the district has made FAPE available. A court or a due process hearing officer may require the school district to reimburse the parent or guardian for the cost of special education and the private school only if the court or due process hearing officer finds that the school district had not made FAPE available to the child in a timely manner prior to that enrollment in the private elementary school or secondary school and that the private placement is appropriate. (20 *USC* Section 1412[a][10][C]; 34 *CFR* Section 300.148; *EC* Section 56175)

When may reimbursement be reduced or denied?

The court or hearing officer may reduce or deny reimbursement if you did not make your child available for an assessment upon notice from the school district before removing your child from public school. You may also be denied reimbursement if you did not inform the school district that you were rejecting the special education placement proposed by the school district, including stating your concerns and intent to enroll your child in a private school at public expense.

Your notice to the school district must be given either:

- At the most recent IEP team meeting you attended before removing your child from the public school, or
- In writing to the school district at least 10 business days (including holidays) before removing your child from the public school. (20 *USC* Section 1412[a][10][C]; 34 *CFR* Section 300.148; *EC* Section 56176)

When may reimbursement not be reduced or denied?

A court or hearing officer must not reduce or deny reimbursement to you if you failed to provide written notice to the school district for any of the following reasons:

- The school prevented you from providing notice
- You had not received a copy of this Notice of Procedural Safeguards or otherwise been informed of the requirement to notify the district
- Providing notice would likely have resulted in physical harm to your child
- Illiteracy and inability to write in English prevented you from providing notice, or
- Providing notice would likely have resulted in serious emotional harm to your child

(20 *USC* Section 1412[a] [10] [C]; 34 *CFR* Section 300.148; *EC* Section 56177)

State Complaint Procedures

When may I file a state compliance complaint?

You may file a state compliance complaint when you believe that a school district has violated federal or state special education laws or regulations. Your written complaint must specify at least one alleged violation of federal and state special education laws. The violation must have occurred not more than one year prior to the date the complaint is received by the CDE. When filing a complaint, you must forward a copy of the complaint to the school district at the same time you file a state compliance complaint with the CDE. (34 *CFR* Section 300.151–153; 5 *CCR* Section 4600)

Complaints alleging violations of federal and state special education laws or regulations may be mailed to:

[California Department of Education
Special Education Division
Complaint Support Unit
1430 N Street, Suite 2401
Sacramento, CA 95814]

Support for Families

Senate Bill 511, Family Empowerment Centers

Background

The Family Empowerment Centers (FECs) were established in Chapter 690 of the Statutes of 2001 (Senate Bill 511, Alpert), enacted as *Education Code (EC)* 56400-56415. The FECs provide services to families with children with disabilities ages three to twenty-two.

The intent of the Legislature is to ensure that parents, guardians, and families of children and young adults with disabilities have access to accurate information, specialized training, and peer-to-peer support. The FECs aim to assist parents to better understand their child's educational and developmental needs, effectively communicate with service providers, serve as a resource for the individual education plan process, participate in school reform and improvement activities, promote alternative dispute resolution, and support positive relationships between parents and professionals. Services available through each FEC vary based on the needs of the community.

Written Notice of Proposed Use of Public Benefits/Private Insurance and Release/Exchange of Information

This Written Notice is given to parent/guardian (you) by the Yuba County SELPA.

Your Local Education Agency (LEA) is required to provide your child with special needs a free, appropriate public education (FAPE).

With your consent, the LEA may use your child's public benefits or private insurance to help pay for his/her special education services.

With your consent, the LEA may disclose its billing agent, the California Medi-Cal program, and/or your private insurance program the following information about your child FOR THE SOLE PURPOSE of processing claims for reimbursement name, birthday, gender and special education service (including the type, date, number of service(s) and the name of the service provider.

You MAY:

- refuse to sign the consent form (the LEA is still required to provide special education services to your child at no cost to you).
- withdraw your consent to allow the LEA to bill your public benefits/private insurance at any time (however, that will not negate prior billings so your withdrawal is not retroactive).
- withdraw your consent to allow the LEA to release/exchange personally identifiable information.

The LEA MAY NOT:

- require you to sign up for or enroll in public benefits or insurance in order for your child to receive FAPE.
- require you to incur an out-of-pocket expense such as a deductible or co-pay.
- use your child's benefits if that would:
 - decrease available lifetime coverage or any other insured benefit,
 - result in the family paying for services that would otherwise be covered by the public benefits or insurance program and that are required for the child outside of the time the child is in schools,
 - increase premiums or lead to the discontinuation of benefits or insurance, OR
 - risk loss of eligibility for home and community-based waivers, based on aggregate health-related expenditures.
