Project: **RFP #2425-17 – ASPHALT CRACK SEAL & PARKING LOT STRIPING 2025-2027 (3-year bid)**

Bid Due date: 11:00 AM Local Time, Monday, April 28, 2025 (UNCHANGED)

This Addendum is issued as modifications to the RFP previously issued to provide clarifications to the scope of work. This Addendum supersedes the original RFP. This along with the RFP becomes the bid documents.

I. Answers for Clarification:

A. Crack fill request is for asphalt surfaces only (not concrete)

- All surfaces, asphalt and concrete need to be striped

B. Alligator cracked stressed areas are not in the scope of work, larger cracks within these areas are to be cracked filled per scope of work.

- These areas need to be striped
