Workplace Wellness Program

NorthShore Health Centers' Workplace Wellness program partners with organizations to provide healthcare services that results in lower medical costs to both employee and employer. Under the company's current insurance plan, NorthShore has the capability to providing additional cost benefits when utilizing our services resulting in lower premiums.

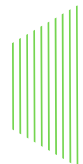

As a Federally Qualified Health Center, NorthShore already offers conveniently-priced, comprehensive care including medical, dental, vision, chiropractic, mental health and on-site 340B pharmacy offering discounted medications to our patients. The Workplace Wellness Program allows employee to access NorthShore's variety of services including primary preventative care, sick visits, chronic disease management and annual wellness exams and screenings.

Benefit to Employers:

- Maintaining a lower insurance premium
- Employees including not under the healthcare plan can establish care with a primary care provider (PCP) at NorthShore
- Increased utilization of healthcare benefits
- Reduced healthcare costs
- Healthier employees
- Decreased absenteeism due to illness

Benefit to Employees:

- Increased access to healthcare services
- 19 conveniently located clinics through Northwest Indiana
- Efficient online scheduling
- Telehealth options for certain conditions
- \$0 co-payment
- 340b pharmacy with discounted medication

Services

- Family practice/ primary care
- Diagnostic labs
- Imaging
- OB/GYN - Women's Health
- Immunizations
- Behavioral Health/Psychiatry
- Substance abuse treatment
- Pediatrics
- Onsite Pharmacy within NorthShore locations

These clinic services are free for employees, family members, and dependents who are covered on the Health Insurance Plan.

PHARMACY

NorthShore Health Centers offers onsite pharmacies to serve you!

**Transferring Prescriptions to
NorthShore from a Specialist**

**Transferring Prescriptions to NorthShore
from a Primary Care Provider**

Schedule a New Patient Appointment

A new appointment can be made with ease by calling NorthShore at (219) 763-8112
or <https://phreesia.me/NorthShoreOpen>

Bring Current Prescription & Specialist's Contact Info to Appointment

Bring a detailed list of your current medication(s) with dosage, labeled medication bottle(s), or a copy of your prescription(s) to appointment. Bring specialist's name & contact info. The NorthShore provider will then submit a referral to your specialist that allows them to send your prescription directly to the NorthShore Pharmacy.

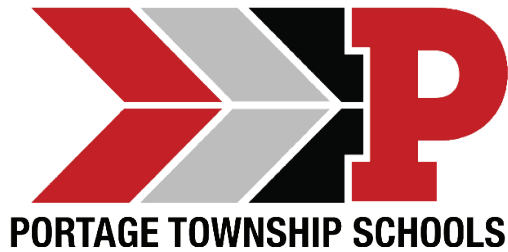

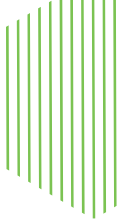

Bring Current Prescriptions to Appointment

Bring a detailed list of your current medication(s) with dosage, labeled medication bottle(s), or a copy of your prescription(s) to appointment. The NorthShore provider will review the medication(s) and update the treatment plan if they deem necessary.

Pick Up Prescriptions

Go to the NorthShore Pharmacy to pick up your prescription when it is ready.
