- Introductions of each member
- Overview of SHAC committee duties and goals.
- New SHAC legislation requirements for 2021-2022 school year discussed. 2021, 87th Legislation: HB 1525 and SB9. Laurie explained the changes and a copy was passed out to members.
- Reviewed SHAC bylaws. A copy of bylaws passed out to members for review. Motion made to approve bylaws by Dr. Rodney Burrow, a 2nd by Jean Carroll, no discussion and motion approved by all members.
- Nominations/volunteers for Co-chair and secretary- Co-chair Casey Mayben and secretary Jean Carroll. Officers approved by committee. Lori Hooper has volunteered to take minutes for meetings.
- Discussed COVID Safe Return to School plan and purpose. Guidelines are based on the public health situation and are subject to the nature of the COVID pandemic. The school district currently takes measures on each campus such as sanitizing surfaces, hand sanitizers, distancing, on-site Rapid COVID testing, and quarantine in accordance with the Governor's office, TEA, CDC and DSHS guidelines. Masks are not mandated; however, we do have some students who still wish to wear them. These measures will update and PISD will adapt plans accordingly. The Safe Return to School plan is posted on the PISD website and a copy was passed out to members.
- COVID testing update – Rapid testing continues at each campus with a significant decline in positive tests district wide, since school year began. Casey Mayben and Dr. Rodney Burrow noted a decline in positive cases at their facilities also. DSHS continues to hold COVID vaccine clinics monthly at the Pittsburg High school with numbers vaccinated over 100 each time.
- Discussed Physical Activity and Fitness Planning Subcommittee (PAFPS) requirements for recess and unstructured play and the goals per new legislation. Information given to members. Members/volunteers were chosen for this subcommittee: Laurie Smith, Zach Tomlinson, Billie Jo Carpenter, Casey Mayben and Shaqundreea Hughes. Laurie will acquire some teachers and administrators to be a part of this subcommittee.
- Jean Carroll gave information about the Coordinated School Health Curriculum and required wellness policy. There are new objectives to include regulations of

child nutrition on food brought to school for students by parents due to allergies and the time of day. Note: objectives are pending for this curriculum and this will be discussed in more detail on the December agenda or once the final objective is posted.

- One last note that the district will have to have curriculum to teach students about family violence, child abuse, sex trafficking and teen dating violence. Note: this will be discussed at a future meeting.
- Next SHAC meeting is set for December 15th 2021 at 11:30 a.m.- Location PISD board room
- Meeting adjourned at 12:07 p.m.
