To All vendors: Addendum #1

RFCSP

Magee Intermediate Foundation Repairs

Using the Request for Competitive Sealed Proposals (RFCSP) method of procurement, Calallen Independent School District (the District) is soliciting proposals from qualified vendors for Foundation Repairs at Magee Intermediate.

This addendum serves as a notice of change in the location of two floor inspection hatches.

The revised locations have been indicated on the facility's floor framing plan, and made available as part of this addendum. Upon installation of the inspection hatches, the selected vendor will coordinate with the district's structural engineer for exact positioning.

The due date and time remains for Thursday, 12 noon (CST), May 1, 2025 **at the District's administrative offices located at 4205 Wildcat Dr., Corpus Christi, Texas 78410.**

The District will accept mailed, or hand delivered responses to this RFCSP only.

Blair McDavid
Director of Operations
Calallen ISD
