

What does being a member of the PTO look like?

To many, our services are visible through our various fundraisers held during the school year. However, to the students and teachers here, we're a vital resource that enriches learning and fun for everyone!

These are just a few programs and events that we work hard to put together and/or support:

- Fall Family Fun Night
- The schools anti-bullying program
- Teacher reimbursement for classroom expenses
- Learning materials for classrooms
- Field trip funds
- The Scholastic Book Fairs
- Holiday Shop
- The annual Semi-Formal dances
- Staff appreciation week
- The yearly Gator Gear store
- Supporting local business through fundraising/events
- And so much more!

Scan to join the PTO Facebook page!

To make all of these events possible for the children each year **WE NEED YOUR HELP!** Your involvement in the PTO can be as simple as just becoming a supportive member for only \$5 per family, per year. We more than welcome anyone looking to further take part in keeping the fun filled childhood memories going for our students throughout their short elementary years!

You can get more involved by signing up for donation drop offs, volunteering your time to help out at any of our events, or attending any of our meetings. We come together monthly to discuss and plan these fun filled items and hear first hand updates about our children's education!

For more information and to make sure you never miss an update be sure to follow our PTO facebook page and/or contact your board members at Alleganylimestonepto@gmail.com!

Total Amount Enclosed \$ _____

Collaboration between parents and teachers makes the school a better place and allows parents to become more informed on the day to day activities and special events available for your child. Even if you don't have a lot of time to devote, all participation is appreciated and makes a difference! Filling out this form enrolls you into our PTO monthly newsletter, allows you to have your voice heard through our optional monthly meetings and opens you up for volunteering for your child's recreational events throughout the school year!

*Please be sure to fill out a Board Of Education approval form in order to volunteer during activities!
