

Career Transition Program

Funded by
ACCES-VR

FREE PRE-EMPLOYMENT TRANSITION SERVICES (PRE-ETS) FOR STUDENTS

Partnership between OHM BOCES & MVCC

About the Career Transition Program

The Career Transition Program provides Pre-Employment Transition Services (Pre-ETS) to help students ages 14-21 with disabilities prepare for success in the workplace.

This free program, funded by ACCES-VR, assists students in identifying career interests, developing employment-related soft skills, exploring post-secondary education options, and obtaining work experience. As part of the program, students have access to a variety of invitation-only workshops, financial stipends, and applied learning opportunities.

Eligibility

- Students ages 14 to 21 years who are enrolled in high school or post-secondary education/training, and are not already receiving vocational rehabilitation services.
- Students who have a current or previous IEP, 504 plan, or documentation of disability or special need.
