Chicago, on Lake Michigan in Illinois, is among the largest cities in the U.S. Famed for its bold architecture, it has a skyline punctuated by skyscrapers such as the iconic John Hancock Center, 1,451-ft. Willis Tower (formerly the Sears Tower) and the neo-Gothic Tribune Tower. The city is also renowned for its museums, including the Art Institute of Chicago with its noted Impressionist and Post-Impressionist works.

We will see two musical performances: the Chicago Symphony, and Man of La Mancha (performed by a student group at Northwestern University). We will also experience many of Chicago's fabulous museums, and become acquainted with some of the historical and architectural features of Chicago.

In this tour handbook, you will find maps and information about the various other activities we're doing.

We will be traveling via chartered bus and staying 3 nights at the Hampton Inn and Suites, Chicago North Shore with four students per room.

Treat bags will be provided with a bottle of water and snacks. Students will pay for their own lunches all 4 days.

Common Courtesies to Follow

You are responsible for your own actions.
Be polite, respectful, and thankful to all.

Follow the guidelines set forth in this handbook.
Search information about the places we are visiting.

Never travel alone. Always be with a group.
Be patient, wait your turn, respect personal space.

Do not use any other transportation than that provided.
Double check each day's plans.

Fun Music Facts About Chicago

Chicago, Illinois is known for its theater, architecture, food, and culture.

Chicago is known as the birthplace of house music, gospel music, urban blues, and modern jazz.

Chicago blues were an important part of the development of rock and roll.

Chicago is also known for the development of electric blues, or Chicago-style blues.

Chicago was a center for early jazz development.

Chicago is also home to a vibrant hip hop scene and R&B.

Chicago's music scene today includes hip-hop, indie rock, experimental, jazz, classical, and more; and is known for its diversity and strength.

Clarence Pinetop Smith made some of the first well-known boogie recordings in Chicago.

The band *Chicago* is known for their rock and roll sound with horns, which often incorporates elements of classical music, jazz, R&B, and pop.

The song "Chicago" by Graham Nash refers to the anti-Vietnam War protests in Chicago in 1968.

From Your Director

Orchestra Students:

We are now ready to begin our tour to Chicago; as much hard work has gone into the preparation of this excursion. Many people have contributed to this event, and we are their representatives. Our school, as well as the community of Clarence, will be represented by our personal behavior. High standards are expected of each of you, and it is our obligation to fulfill this trust. Always remember: FUTURE TOURS DEPEND DIRECTLY ON YOU; your attitude and your conduct. If you follow this tour handbook exactly, especially regarding the time schedule, dress code, and the rules, we will not experience any difficulties, and will receive a good deal of satisfaction, enjoyment, and personal growth.

Our schedule is very exact, and many people will be inconvenienced if we run late. Therefore, make it your responsibility to be in the proper place, at the right time, and with the appropriate dress. Persons we meet and interact with in Chicago, IL, in whatever capacity, will know our community, our school, and us, only by your actions. Therefore, be punctual, be neat in appearance, and be courteous and respectful to everyone. Follow the tour dress code EXACTLY. The daily schedule will tell you what you are to wear each day. School Rules and Regulations will apply always.

Stay with your group while we are touring the various sites in Chicago. Be courteous to our chaperones, bus drivers, and tour escort. Be respectful of the property we will visit. No one will go off on their own (or leave the hotel) at any time outside of the scheduled tour activities. If a site does not interest you, be patient and courteous until we move to a site which does. Do not talk while the escort is explaining a site. Ask questions - this is how you will learn.

The arrangements for this tour have been most extensive. Koch Travel, along with your teachers, chaperones, administrators, and parents, have all contributed a great deal of time and energy to make this trip a worthwhile experience FOR YOU! Now it is your turn to use this opportunity to justify the pride these people have in our School and our Music Department.

HAVE A GREAT TRIP!

Mr. Douglas Shaw
Clarence High School, Orchestra Director

CLARENCE MUSIC DEPARTMENT

Rules and Regulations

The general rules and regulations that pertain to the Music Department and the Clarence Central School District are to be adhered to by all students participating in this trip.

It is the desire of the Music Department that the Chicago, IL trip reflects a high level of commitment to a positive group activity. Therefore, in keeping with the policy of the Clarence Central Schools, possession or use of alcohol, tobacco, vaping devices, or illegal drugs is prohibited on a school sponsored trip. All other school rules also apply for this trip.

Violation of the school policies / rules and regulations will result in the following actions:

- Immediate suspension from the activity.
- Notification to parents and school administrators.
- Violator(s) will be sent home at the parent's expense (including the cost of the accompanying chaperone).
- Probable suspension from future activities with the Music Department.
- Disciplinary action will be taken by Mr. Kenneth Smith, Principal, upon return.

Rules and Regulations

1. No one will change hotel rooming assignments without the explicit permission of Mr. Shaw and this permission will not be granted except in the most unusual circumstances.

2. There will be no inter-room visitation in the hotel after the announced curfew. Students may never visit rooms of the opposite sex. Students in violation of this will be sent home. A referral will also be made to the administration for any further action that may be deemed inappropriate.

3. No one is to be out of their room past curfew and should remain there until the scheduled morning event.

4. Doors must be opened immediately upon the request of any chaperone BUT remember to get proper identification first.

5. Strict adherence to the dress code is required. Students will be sent back to change if they are not properly dressed. Please see the daily schedule for dress code instructions.

a. Dress Code Casual: Normal, appropriate school wear
b. Dress Code Tour Casual: Nicer appropriate school wear, (NO jeans, sweatpants, sneakers)

6. No one will leave the hotels alone or in groups without permission.

7. Please be courteous of the other guests. Keep your voice very low in hallways and avoid roaming the halls. “Horseplay”, etc., in the hotel will not be tolerated.

8. Only music players with headphones are permitted on this tour.

9. The condition of the rooms in which we will be staying will be monitored very carefully by the hotel officials. Report any damage to one of our chaperones as soon as you check in. Otherwise you may have to pay for damage you did not cause. Any damages which occur in any room will be equally shared by all those assigned to that room. What was in the room, remains in the room. Towels are not souvenirs.

10. When traveling in a large group with students, stores tend to take extra measures to protect themselves from shoplifters. If this problem arises, violators will be prosecuted. This means that any kind of theft, whether jokingly or otherwise, will be dealt with seriously. This then becomes a problem for the Clarence Central School which means punishment and enforcement of school policy rules, not to mention embarrassment and shame upon the entire group activity.

11. Label all your suitcases, garment bags, etc. Try hard not to forget anything – it causes great inconvenience to others besides you.

How to Survive a Hotel Fire

1. Know where the fire exits are.
Make sure they are open and know where they lead to. If they do not open, call security at once. Do this FIRST when you arrive at your hotel.

2. Know where your room key is at all times.
Keep it in an easily accessible place (ex. on your bed stand) so you can reach it if you wake up and find your room full of smoke.

3. At the first smell of smoke, call the fire department, not the desk.
Tell the fire department your room number.

4. Do not leave your room without checking the doorknob and the door.
If it is hot, do not open the door. If it is not hot, open the door slowly to check for smoke in the hallway. If there is a lot of smoke, cover your face with a wet towel and go to the fire exit. Stay near the floor where there is more oxygen. NEVER use the elevator and take your room key with you in case you must return.

5. If it is too smoky to go down the stairs, go all the way up to the roof.
One of the easiest and quickest ways of rescue is from the rooftop of the building.

6. If you must stay in your room, do not break the windows.
If there is smoke below, you may have to close them. Block all vents and door cracks with wet towels and sheets. If the walls become hot, use the ice bucket or anything available to throw water on them.

7. Avoid smoke inhalation by covering your face with a wet towel.
You will succumb to smoke inhalation long before fire reaches you.

8. Stay calm and do not panic.
Try to think clearly.
