

Invitation to Bid# T-25004

Chromebook Carts

Prepared by: Josh Reynolds, Technology and Innovation Manager

Posted Date: 4/23/2025

Bids Due: 5/23/2025

Iowa City Community School District is seeking quotes to purchase a minimum of 350 Chromebook carts to support our student technology initiative. These carts will be used across elementary school sites to facilitate secure charging, storage, and mobility for classrooms.

We invite vendors to submit information on available cart models that meet or exceed the following general specifications:

- **Capacity:** Must hold and charge a minimum of 30 Lenovo 500e Chromebooks per cart
- **Mobility:** Heavy-duty wheels and handles for easy transport
- **Charging Management:** Intelligent or timed charging to prevent power overload and battery damage
- **Compatibility:** Capable of powering and storing 30 Lenovo 500e Chromebooks simultaneously
- **Cable Management:** Organized cable routing for easy use and maintenance
- **Build Quality:** Durable construction suitable for daily school use

Interested vendors should provide product details, pricing information, lead times, and warranty terms. Submissions should be made electronically to:
