

REGULAR MONTHLY MEETING JUNE 27, 2017

The St. Bernard Parish School Board met in a Regular Monthly Meeting on Tuesday, June 27, 2017 at 6:00 p.m. in the St. Bernard Parish School Board Office. Following the Prayer and Pledge of Allegiance, the Secretary called the roll. Present were, Mrs. Diana B. Dysart, President, Mr. Donald D. Campbell, Dr. Hugh C. Craft, Mr. William H. Egan, Mr. Clifford M. Englande, Mr. Carl W. Gaines, Jr., Mrs. Katherine K. Lemoine, Dr. Henderson Lewis, Jr., Mr. Joseph V. Long, Sr., and Mr. Sean K. Warner. Mrs. Darleen P. Asevedo was absent.

Mr. Englande asked for a point of privilege to acknowledge the success of the recent production of “The Little Mermaid” at the Chalmette High School Cultural Arts Center. Mr. Englande encouraged those who have not seen it yet to get tickets for the upcoming weekend performances. Many Board Members agreed with Mr. Englande about the professional quality of the stage, sets, costumes, and student performances.

No one wished to address the Board under Community Concerns.

Mrs. Dysart addressed the next agenda item concerning the recognition of Chalmette High School as an Advanced Placement Program of Distinction. Principal of Chalmette High School, Wayne Warner, Assistant Principal, Carole Mundt and Assistant Principal, Kelli Watson appeared before the Board regarding this honor. Ms. Voitier explained that during the previous week, the BESE Board (Board of Elementary and Secondary Education) and the Board of Regents met and honored a few school systems as being Advance Placement Programs of Distinction. The distinction lies in the number of students who are taking these advanced placement courses and scoring high enough to earn college credit for them.

At this time Ms. Voitier invited the school administrators to explain the advanced placement program. Mrs. Watson explained that students are identified as being able to participate in the advanced courses based on previous performance and their desire to excel in those courses. She states that the courses definitely gives the student the ability to experience the rigor within the college course and determine if that setting is comfortable for them before they actually go to college. She also stated that the number of students participating in these courses is on the rise and scoring very well at the conclusion. Mrs. Watson was also proud to announce that one particular component within the program that assisted in gaining the recognition was the fact that a large percentage of the AP students were minorities. Mrs. Watson very proudly announced that 4 out of 7 of the AP exams showed students scored higher than the state average within private and public schools. Mrs. Watson gave a lot of credit to teachers who do a great job of teaching these college credit courses to high school students.

Dr. Craft was proud in saying that when his grandson left Chalmette High he went on the Louisiana State University as a sophomore having gained enough credits from his AP courses in high school. Mrs. Dysart noted that more than half of the 400 students who graduated last year left with some type of college credit. She commended Chalmette High for their hard work and passed on to the administrators the award letter for their being named an Advance

Placement Program of Distinction.

A short break was taken to take photos.

At this time Mrs. Dysart called Mrs. Beverly Lawrason up to the podium to receive recognition for her service upon her retirement. To recognize Mrs. Lawrason, Mrs. Dysart thanked her for her years of service as a teacher, educator, administrator and a friend. Mrs. Dysart wished her a happy retirement and presented to her a plaque honoring her dedication and service to the children of St. Bernard Parish from 1973 to 2017.

Mrs. Lawrason thanked the Board for this recognition and reminisced about her years as an employee and even as a daughter of a teacher. She thanked Ms. Voitier for allowing her to be her assistant and reminded the Board as to how wonderful a Superintendent we have in Ms. Voitier. Mrs. Lawrason thanked the Board for their leadership and for the privilege to serve them.

On a motion by Dr. Lewis seconded by Mr. Warner, the Board voted by a unanimous roll call vote of the members present to incorporate the Report of the June, 2017 General Committee Meeting into the Minutes of the June Regular Monthly meeting.
