

MUNDY'S MILL HIGH SCHOOL  
ALMA MATER

Arrangement by Captain Ron Schofield, U.S. Army  
Lyrics by Erik Grant Bennett

*We bravely stand atop this land, where heroes shall be born  
The fabric made of peace and love cannot by man be torn  
Our Alma Mater speaks to us of courage, strength and pride  
Together we can change our world--with dear friends at our side*

*Just as the tiger's stripes run deep, so shall our loyalty  
We now commence with confidence to tame the mighty sea  
Among vast fields of dandelions, the past is living still  
So with this song, our hearts belong--to our own Mundy's Mill*
