

EL CAMINO REAL CHARTER HIGH SCHOOL

Ninth Grade Programming Packet

El Camino Real Charter High School Mission Statement

The mission of ECRCHS is to prepare our diverse student body for the next phase of their educational, professional, and personal journey through a rigorous, customized academic program that inspires the development of students' unique talents and skills, builds character, and provides opportunities for civic engagement and real-world experiences.

El Camino Real Charter HS Student Learning Outcomes

In order to succeed in a changing global community, all ECR students will be:

- Critical thinkers
- Effective communicators
- Hard working graduates
- Socially responsible citizens

Counseling and Support Staff

Academic Counselors

Ms. Stefanie Bero, Academic Counselor (A – Bam)
Mr. Beto Velazquez, Academic Counselor (Ban – Cha / ELD)
Ms. Xenia Paniagua, Academic Counselor (Chb – Gal)
Mr. David Lee, Academic Counselor (Gam – Kn)
Ms. Kathleen O’Connell, Academic Counselor (Ko – Mt)
Mr. Stephen Perry, Academic Counselor (Mu - N / Students with IEPs L – Z)
Mr. Jesus Contreras, Academic Counselor (O – Ph / Students with IEPs A – K)
Mrs. Tara Hopkins, Academic Counselor (Pi - Siq)
Mr. Doug Coleman, Academic Counselor (Sir – Z)
Mrs. Lynsey Shano, Academic Counselor (FLEX: Alt Ed / FLEX: Indep Study)

College Counselors

Mr. Justin Graham, College Counselor (A – Gn)
Mrs. Sylvia Yi, College Counselor (Go – O)
Mrs. Liliana Murcia, College Counselor (P – Z)

School Based Therapists

Ms. Rimmpi Rai, School Based Therapist
Ms. Brenda Serpas, School Based Therapist
Ms. Hannah Weigel, School Based Therapist

Counseling Support Staff

Mr. Juan Alba, Administrative Director, Secondary Counseling Services
Ms. Roxanna Reyes, Senior Office Administrator, Counseling Office #1 (A – K)
Ms. Julianna Murguía, Administrative Assistant, Counseling Office #2 (L – Z)
Mrs. Marta Franco, Registrar/Transcripts, Admissions & Records Office

Administration

Mr. David Hussey, Executive Director
Mr. Juan Alba, Administrative Director
Mr. Dean Bennett, Administrative Director
Mr. Jason Camp, Administrative Director
Mrs. Minita Clark, Administrative Director
Mrs. Emilie Larew, Administrative Director

General Course of Study by Grade

GRADE 9	GRADE 10	GRADE 11	GRADE 12
English 9 (CP or Honors)	English 10 (CP or Honors)	American Lit/Contemporary Comp (CP or Honors) or AP English Language	ERWC 12, Honors Adv Comp/Honors English Lit or AP English Lit
Algebra 1 or Geometry (Honors not available)	Geometry, Algebra 2, or Honors Algebra 2	Algebra 2, Math Analysis, Honors Math Analysis, AP Calculus, or AP Statistics	Math Analysis, Honors Math Analysis, AP Calculus, AP Statistics, Multivariable Calculus/Differential Calculus
World History (CP or Honors)	Biology (CP, Honors, or AP)	US History (CP, Honors, or AP)	Government/Economics, AP Gov/Econ, or AP Econ/Gov
PE, Sport, or Equivalent	PE, Sport, or Equivalent	Chemistry (CP, Honors, or AP), Physics (CP, Honors, or AP)	Academic Elective (i.e. World Language)
Honors Biology or Elective (e.g. computer, World Language, or VPA)	Academic Elective (e.g. science or social studies elective)	Academic Elective (i.e. World Language)	Elective
Health / College & Careers	Academic Elective (i.e. World Language)	Elective	Elective

ECRCHS Graduation Requirements

Subject	Credits
English 9, 10, 11, 12	40
Math (2 years)	20
Health	5
World History	10
US History	10
Government/Economics	10
Biological Science	10
Physical Science	10
PE	20
Visual Performing Art	10
Computers	5
Applied Technology	5
Electives	75
Total credits needed	230
Service Learning*	Must complete
Career Pathway^	Must complete

Important Notes

*Service Learning is a project that will be completed during the student's senior year in his/her government/economics class.

^The Career Pathway requirement will be met during the student's senior year by having a conversation with his/her counselor about future career goals.

A – G Requirements

	Subject	Years
A	History/Soc Studies	2
B	English	4
C	Mathematics	3**
D	Lab Science	2**
E	World Language	2**
F	Visual Performing Art	1
G	College Prep Elective	1

****More years recommended**

Please speak with your counselor for more specific information regarding graduation requirements and A – G requirements.

DESIGNATED CLASS LEVELS

Annual sequential classes are divided into two semesters, with A representing the first semester, and B representing the second semester (e.g. Algebra 1A, Algebra 1B).

Students are expected to remain in these classes for the entire school year.

College Prep (CP): (i.e. English 9AB) These classes represent the standard level of academic preparation that high school students should take to meet A – G requirements for college (see below). Students will be enrolled in these classes unless they request (and are approved) to take Honors and/or AP level classes.

Honors (H): (i.e. H English 9AB) Honors level classes are rigorous and fast paced. Students who meet the eligibility requirements should display outstanding ability and work habits in order to enroll in Honors classes.

Honors classes require teacher/counselor approval.

Advanced Placement (AP): (i.e. AP English Lang AB) AP classes offer college level curriculum. Students who meet eligibility requirements should display outstanding ability and work habits and should be committed to taking the Advanced Placement exams if they wish to enroll in AP courses.

AP classes require teacher/counselor approval.

For more information about the AP program, please visit www.collegeboard.org.

“A – G requirement” refers to a sequence of high school courses that students must complete (with a grade of “C” or better) to be minimally eligible for admission to the University of California (UC) and California State University (CSU).

	<u>SUBJECT</u>	<u>YEARS</u>	<u>DETAILS</u>
A	History/Social Studies	2	One year of US History or ½ year of US History and ½ year of civics or American Government. CSU requires one additional year of Social Science. UC requires one year of world history, cultures, and geography.
B	English	4	Four years of college preparatory English
C	Mathematics	3 4 years recommended	Three years of college-preparatory math that includes the topics covered in elementary and advanced algebra and two and three dimensional geometry. Approved integrated math courses may be used to fulfill part or all of this requirement, as may math course taken in the seventh and eighth grades.
D	Laboratory Science	2 3 years recommended	CSU requires one biology and one physical. UC requires classes in at least two of the following areas: biology, chemistry, and physics.
E	Language other than English	2 3 years recommended	Two years of the same language other than English.
F	Visual & Performing Arts	1	One yearlong course of visual and performing arts chosen from the following: dance, drama, theatre, music or visual arts
G	College Preparatory Elective	1	One year (two semesters) in any of the above “A-F” courses beyond those used to satisfy the requirements above or other approved elective.

PROGRAMS

El Camino Real Charter High School offers a variety of programs designed for students with specific interests and/or other post-secondary education goals. Students should speak with their counselor to learn what requirements must be met and maintained in order to be scheduled into one of these programs.

Advanced Studies Program

The Advanced Studies Program provides high achieving students with a rigorous program, which will both challenge and support students in reaching their greatest potential. To qualify for the program, students must demonstrate a strong work ethic and be earning A's in honors courses in middle school. All core subject classes in the program are honors or College Board-approved Advanced Placement, meeting both graduation requirements and the "A – G" University of California and California State University entrance requirements. Students will develop the skills and knowledge needed to succeed in selective colleges and competitive careers.

Career and Technical Education (CTE)

Our Career and Technical Education (CTE) pathways are designed to equip students with the skills and knowledge they need to excel in college, careers, and beyond. Our graduates leave with real-world skills and the confidence to pursue a variety of exciting career opportunities.

Our CTE program offers practical, hands-on learning experiences; field trips to local colleges and industry sites; annual competitions that showcase student talent; industry guest speakers and panels; scholarships, certifications, and awards; as well as articulation agreements with local colleges for continued education.

Explore our five dynamic pathways:

- Food Service and Hospitality
- Cabinetry, Millwork, and Woodworking
- Music Production and Engineering
- Game Design and Integration
- Design, Visual, and Media Arts

Careers in Entertainment Academy (CEA)

This is a four-year, internationally recognized program where students acquire artistic and technical skills in all aspects of film and television production, in order to prepare them for a professional career in the entertainment industry. The following is a breakdown of the courses of the program:

- *Filmmaking 1AB* -This is a beginning film course which includes an introduction to Film History and Beginning Film Production.

STEAM (Science + Technology + Engineering + Art + Math)

The Science, Technology, Engineering, Art and Math (STEAM) Program prepares students for success in the real world through an interdisciplinary, project-based approach to education. STEAM students learn specialized skills while expanding their ability to communicate effectively and think critically and creatively. The STEAM Program at ECR is designed to be open and accessible for all students. By taking courses within a STEAM pathway, students graduate with a specialization similar to choosing a major in college. The pathways are as follows: Technology & Engineering, Medical Sciences, and Environmental Science. Successful completion of the program ensures A-G completion for college admission. Students in STEAM also participate in STEAM Club where students engage in hands on learning on STEAM curriculum beyond the classroom.

VAPA

The Visual and Performing Arts Academy is a small learning community for students who would like to enhance their high school experience through their art disciplines. VAPA students will be expected to take at least one VPA course each year and complete a pathway for their discipline. Through the support of their counselors and teachers, they will receive guidance in applying to arts-based college programs. They will attend monthly grade level meetings where they receive academy updates and peer appreciation, reviews, and critiques, while forming bonds with fellow academy members. The academy culminates in a senior year showcase themed around using art as a vehicle for change.

El Camino Real

El Camino Real High School

Department of Athletics

El Camino Real High School is a member of the California Interscholastic Federation (CIF), LA City CIF Section, and West Valley League.

Participation in the school's athletic program is a privilege not a right. All students will have an opportunity to try out for each respective team. However each team has a limited number of spots or positions available. Please note that playing time in games is earned by the athlete. Henceforth playing time is given at the discretion of the coach and his/her coaching staff.

Tryouts ***

Refer to the ECR website calendar and/or email the head coach for tryout dates and times for each sport. Notifications will also be made with the morning announcements. **Students must have a completed emergency form and completed medical physicals to participate in tryouts.**

Athletic Eligibility***

Students must meet the following criteria to be eligible to participate in our athletic program:

- Completed athletic packet signed by both student and parent
- 2.0 GPA on the 10 and 20 week report card
 - The 20 week report card for the Middle School will be reviewed to determine academic eligibility for Fall Sports
 - Summer school classes offerings will be limited for incoming 9th grade students.
- Only 1 "U" in Cooperation at the 5, 10, 15, and 20 week report cards will be allowed
- **PRIOR TO TRYING OUT FOR A TEAM**, an annual physical conducted by a licensed and practicing physician.
- Proof of medical Insurance **with student's name listed.**

Athletic Excellence - CIF-LA Team Championships

- 117 Total CIF-LA Team Championships (Division 1, Division 2, 3A, Invitational)
- 3 State CIF Championships (Girls Basketball, Boys Soccer, and Girls Soccer)

Current Alumni - Professional Athletes

- 4 in Minor League Baseball

Current Alumni - NCAA in 2024-25

- **Sports:** Baseball, Softball, Men's Soccer, Women's Soccer, Men's Basketball, Women's Basketball, Football, Cross Country, Track & Field, Men's Golf, Women's Volleyball, Men's Volleyball, Boxing
- **Universities:** Cal Lutheran University, Arizona State University, CSU Northridge, University of San Diego, Central College, Loyola Marymount University, University of Portland, Manhattan College, University of Hawaii, Oral Roberts University, CSU Long Beach, West Point, Lesley University, Santa Clara University, University of Puget Sound, Chapman University, Wheaton College, Lees-McRae College, Newberry College, Missouri Southern State University, UC Riverside, University of Houston, UC Berkeley, Sonoma State University, Air Force Academy, Marshall University, Penn State University, Maryland University, UC Irvine, University of Nevada Reno, Dominican University, Benedictine College, Lesley University, Neumann University, Hamline University, Pacific University

FAQ

Do I have to take the College and Career Readiness (CCR) class?

College and Career Readiness is a one semester class taken as the counterpart of Health. Although it is not a high school graduation requirement, 9th grade students are required to take this class unless certain honors classes or classes from specific programs prevent it from fitting into their schedule.

Do I have to take Intro to Computers? "I already took a computer class in 8th grade."

Students need 5 credits of a computer course to graduate from El Camino Real Charter High School. Although we do offer other computer courses, 9th graders are typically placed in Intro to Computers, as it is a prerequisite to most of the more advanced computer courses.

Is Health a graduation requirement? Am I allowed to take Health over summer?

Yes, Health is a graduation requirement. Some 9th graders may be allowed to take Health during the summer if their schedule does not allow it during the regular semester due to honors courses or if you are participating in a program (i.e. AVID) that doesn't leave room for it. Your counselor will determine if you are eligible.

Can I sign up for a different summer school class?

Some students may take Health if they meet certain criteria which would be determined by their El Camino counselor. There is also an AP Bridge class offered for those who may potentially be interested in AP classes in the future. We also offer a Summer Transition/Bridge Program, which includes a mathematics course and a study/literacy skills course, to help ease the transition from middle school to high school. Your counselor will determine if these classes are appropriate for you.

Can I take a zero period?

Not all classes are offered during zero period. Most of the classes offered are 11th and 12th grade classes. So generally, 9th graders do not take zero period.

Can freshmen take honors/AP classes?

El Camino offers a variety of honors and AP level classes for all of our students; however, each student's schedule is individualized and created based on previous grades, history of honors classes in middle school, and other criteria unique to each student. Your counselor will help you decide which level of class is appropriate for you.

Can I take Honors Algebra 2 in 9th grade?

Students who took Algebra 1 and Geometry in middle school and passed with grades of A's or B's will be programmed into Algebra 2 in 9th grade. Students who wish to take Honors Algebra 2 MUST have an A in both semesters of Geometry.

Will I need to take PE for all four years of high school?

Students need to pass four *semesters* of PE to graduate high school. In addition, you must pass the Physical Fitness Test (PFT). Although the Physical Fitness Test itself is not a graduation requirement, you will be required to take PE every semester until you have passed it (even if you have completed your required four semesters.)

What are “A - G” requirements? Is there a difference between these requirements and high school graduation requirements?

A - G requirements are specific college entrance requirements. These are not the same as the general high school graduation requirements for El Camino Real Charter High School. Please visit the college office page of our website at <http://ecrchs.net/college-office/college-option/a-g-requirements/> to learn more about A - G requirements and other valuable college readiness information.

May I choose my teachers? I've heard great/bad things about this specific teacher!

Per school policy, students are NOT allowed to pick their teachers. According to the same policy, we also do not allow teacher changes. We encourage students to go into their class ready to learn and gain their own experiences with their teachers.

May I choose my counselor?

Counselors are assigned by last name. There are two exceptions; students who are students in ELD classes will be assigned to Mr. Velazquez regardless of last name; and students with IEPs will be assigned to Mr. Contreras for last names A - K or Mr. Perry for last names L - Z. Counselors may not be changed or requested.

Counselor Assignments

Ms. Stefanie Bero	A – Bam
Mr. Beto Velazquez	Ban – Cha / ELD
Ms. Xenia Paniagua	Chb – Gal
Mr. David Lee	Gam – Kn
Ms. Kathleen O’Connell	Ko – Mt
Mr. Stephen Perry	Mu - N / Students with IEPs (L – Z)
Mr. Jesus Contreras	O – Ph / Students with IEPs (A – K)
Mrs. Tara Hopkins	Pi – Siq
Mr. Doug Coleman	Sir – Z
Mrs. Lynsey Shano	FLEX / Independent Study

Counseling Office # 1

Serves students with last names beginning with A – K

Roxanna Reyes
(Senior Office Admin)

Counseling Office # 2

Serves students with last names beginning with L – Z

Julianna Murguía
(Administrative Assistant)

I am a parent. How can I monitor my student's grades and attendance?

Parents and students will be given access to our Aeries Parent Portal automatically using the primary email account we have on file. Aeries is a parent/student portal that allows parents access to students' gradebooks and attendance. We encourage you to closely monitor your student's attendance and grades. Communication between teachers and parents is very important for student success.

ECRCHS 9th Grade Planning Sheet

(Current 8th graders)

Student Name: _____ Birthday: _____
LAST FIRST

Notes:

- **ALL STUDENTS:** Please select 3 alternate elective choices at the bottom.
- **SPORTS:** Students will be placed in PE until counselor receives proof they made a team. PE options provided on back.
- If you plan on attending a four-year university, it is highly recommended that you have at least 4 academic classes.

A. Build Your Own Schedule

(VAPA/STEAM Students – see Section E or C once you have completed this section.)

1. English Choice
 - a. CP English 9 (230107)
 - b. Honors English 9 (230157)
(Grade of A or B in Honors English 8)
 - c. ELD (for English Learners) (170101)
2. Math Choice
 - a. Algebra 1 (310299)
 - b. Geometry (310401)
(Grade of A or B in Algebra 1)
 - c. Algebra 2 (310303)
(Grade of A or B in Geometry)
 - d. Honors Algebra 2 (310350)
(Grade of A or B in Geometry)
3. PE Choice: _____
4. History Choice
 - a. CP World History (370143)
 - b. Honors World History (370141)
(Grade of A or B in 8th grade H History)
5. *Health/College & Careers (420109)
6. Elective Choice: _____
If you received an A or B in English 8, you may choose from our world language electives on the back. Otherwise, please choose another elective.

*Students who passed 8th grade honors courses with A's or B's may take Honors Biology and a world language instead of Health/CCR.

B. Advanced Studies Program

To qualify for this program, students must earn a grade of A in 8th grade honors courses. If not all selections can be made below, please customize a schedule using section A above.

1. Honors English 9 (230157)
2. AP Environmental Science (360507)
3. Math choice:
 - a. Geometry (310401)
 - b. Honors Algebra 2 (310350)
4. PE choice: _____
5. World Language: _____
6. AP Comp Sci Principles (180215)

C. STEAM

Students in the STEAM program will start with section A (Build Your Own Schedule), then choose one of the STEAM strands below. This will be the student's elective choice. (Pathways can be changed at a later date.

1. Technology/Engineering Strand:
 - a. Intro to Computers/Adv Comp Applications (180103)
2. Environmental Sci + Biomedical Sci:
 - a. Biology AB (360701)
 - b. Honors Biology AB (360741)

D. VAPA Program

Please write your selection below:

VPA Elective Choice: _____

Alternate Electives:

1. _____
2. _____
3. _____

I approve of my child's fall semester class requests. I understand that changes may be necessary in the above selections. Class offerings are determined by various factors, so there may not be an opportunity to make changes later. Most classes are yearlong courses; therefore, you may not be able to change levels at the end of the semester.
