April 2025

Dear Parents/Guardians,

On Thursday, May 15th, we will be celebrating Field Day at the Andrew Muller Primary School. If it is raining or the field is too soggy for use, the first rain date will be Friday, May 16th and the second rain date will be Monday, May 19th. You will receive a phone call by 7:30 a.m. if Field Day will be postponed.

Students should come with:

- 1-2 labeled water bottle/s labeled with their first and last names
- Sneakers
- Hat is optional
- Please apply sunscreen before your child leaves for school
- Wear their Tie Dyed T-Shirt

Students will participate in activities throughout the day so we encourage all students to remain for the full day. It is not necessary that you join us, but you are welcome to attend your child's grade level field events, as spectators.

- Two entry bracelets per child will be sent home the day before the event. If you have children in more than one grade, please wear both bracelets. They are different colors. If you lose your bracelets, you will have to go to the security desk to get new ones.
- Siblings who are scheduled to be in school may not attend Field Day at AMPS. Non-school aged children do not need a bracelet.
- If you are planning on joining us, please park in the upper lot and go directly to the LADSBS field. Due to limited parking, we request that you try to carpool.
- When the relay section of Field Day is complete, please head back to your cars so the next grade level has room to park.
- *Students will be served ices during the day. If you do not wish for your child to have ices, please let the teacher know and an alternative will be provided. The ices are donated by the PTO.*

We expect all students to return to their classrooms after their grade level events so they may participate in the entire school's culminating activities.

The schedule is as follows for parent spectators:

**KINDERGARTEN** – 11:30 a.m. - 12:50 p.m.

**FIRST GRADE** – 9:30 a.m. - 10:50 a.m.

**SECOND GRADE** – 1:40 p.m.- 3:00 p.m.

Sincerely,

Laura Gewurz, Principal

Tricia Cucinello, Assistant Principal
