A Note from the Principal

Dear Families,

I hope this message finds you well and enjoying the spring season! I'd like to extend a warm invitation to join us for our upcoming School Accountability Committee (SAC) meeting on Thursday, April 24, from 5:00 – 6:00 PM in the College & Career Center (CCC). Your voice is an important part of shaping the future of our school, and we value your partnership as we continue to grow and improve together.

As we approach testing week, I want to take a moment to recognize our students for their hard work and dedication throughout the year. Standardized testing provides us with valuable insights into student learning, helps inform instruction, and supports our school's continuous improvement efforts. While it's just one measure of student progress, it plays an important role in ensuring academic success for all learners.

To help your student do their best, please encourage them to:

- Get a good night's sleep before test days
- Eat a healthy breakfast
- Take their time and stay positive

Let's continue to support one another and celebrate all the growth our students have made this year. We look forward to seeing you at the SAC meeting!

Warmly,

Dr. Scarlet Chopin
Principal

Celebrating Our Assistant Principals

This week is National Assistant Principals Week (April 7–11), and we're thrilled to recognize the incredible leadership and dedication of Fairview's assistant principals: **Ross Sutter, Marisa Anderson, Liz Barcheck, Nicolas Kosovich** and our dean, **Nicole Hindes**.

These amazing individuals support our students, staff, and school community every day—lifting others up, solving problems big and small, and helping Fairview thrive.

Please join us in thanking them for their tireless work and commitment!

Fairview Students Earn Honors at State Science Fair and Beyond

Eleven Fairview students qualified for the **Colorado Science and Engineering Fair held at Colorado State University on April 3rd**. Our students received various recognitions at the state level with special awards and category places. **Junior Sophia Zhang's project was chosen as one of the top five in Colorado and she will thus be taking her project to the International Science and Engineering Fair (ISEF) in May in Columbus, Ohio**. There she will join FHS sophomore **Om Vegesna** and junior **Mukul Naidu** who qualified earlier for ISEF after placing first and third, respectively at the Regional BVSD Science Fair.

Correction to April 4th Post: Fairview High School Earns the Eliza Pickrell Routt Award!

In our April 4th post, we shared Fairview's recognition with the Eliza Pickrell Routt Award. We would like to clarify that this achievement was the result of a **collaborative effort** between students, staff, and various clubs. While the project has been a longstanding tradition in Mr. Hendrikson's classes and sponsored clubs, this year, students—including junior Natalie Cappelletti—worked together to help register 85% of eligible seniors to vote.

Natalie, along with students from multiple clubs, played a key role in organizing the *Project Lead the Way* civic pop-up, and worked alongside Mr. Hendrikson's class to ensure the success of the voter registration drive. The collective effort, including volunteer recruitment, logistics, and award application, was central to this achievement. We are proud to celebrate this collaboration, which truly embodies the spirit of civic leadership at Fairview.

Submitting Documentation for Absences Exceeding Allowed Limits

If your student has exceeded the allowed 10 yearly absences, official documentation from a doctor, healthcare provider, mental health professional, dentist, orthodontist, or court/government appointment can be submitted to fairview.attendance@bvsd.org or submit it directly to the attendance office. Keep in mind that appointment reminders will not be accepted—only the note or receipt after the appointment

Additionally, calling to excuse your student will not officially excuse the absence until the note is received. **Please note that it may take 24 to 48 hours to update in Infinite Campus**, as we process each case in the order it is received, so you may still receive an absence notification call.

Thank you for your understanding!
