

RTEA Premium Info: 2025-2026 Plan Year

Full-Time Employees (0.9 FTE or greater) Base Medical Plan: Personal Choice C2F101

Steps 1-5: 9.75% of monthly base medical premium

Steps 6-10: 11.25% of monthly base medical premium

Steps 11-15: 12.50% of monthly base medical premium

Prescription and Dental coverage are included at no additional cost for the same covered members.

Part-Time Employees (0.5 FTE to less than 0.9 FTE): The district pays the proportionate amount of the employer’s share of the premium for the applicable plan and the employee pays the balance of the premium through payroll deduction. The proportionate amount to be paid by the district shall equal the amount paid for a full-time employee multiplied by the percentage of part-time worked by the employee. If your FTE is 0.5 to less than 0.9, contact the Benefits Coordinator for your individual calculation.

Buy-Out Option: *The Buy-Out Option is an annual election. In order to receive the cash incentive, you must opt-out during each open enrollment period.*

Employees choosing to eliminate participation in the district’s medical, prescription and dental will receive a cash incentive of \$3,000 (prorated based on FTE and enrollment date) included in the last pay of May. In order to be eligible, proof of other coverage is required. Employees covered by a family member’s district healthcare plan are not eligible for the cash incentive. Employees who opt out may elect to purchase dental insurance at the COBRA rate (monthly premium + 2% administrative fee).
