Conflict of Interest and Mandatory Disclosures

3610.5 (DAF-5)

The District complies with the requirements of State law and the Uniform Guidance for conflicts of interest and mandatory disclosures for all procurements with federal funds.

No employee, board member or other District officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict - or apparent conflict - of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, (collectively a "covered individual") has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

Additionally, no employee, board member or other District officer, or agent may solicit or accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. This prohibition, however, shall not apply to gratuities of de minimis value, which, for purposes of the policy, are individual gifts, favors, or other items of monetary value, worth \$50 or less and which have no bearing on the selection, award or administration of a Federal award.

The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient or sub-recipient.

Each covered individual who is engaged in the selection, award or administration of a contract supported by a federal grant or award and who has a potential conflict of interest must disclose that conflict in writing to the *Superintendent*, who, in turn, shall disclose in writing any such potential conflict of interest to New Hampshire Department of Education or other applicable pass-through-entity.

Employees who violate this provision are subject to disciplinary consequences up to and including dismissal. Agents or contractors acting on behalf of the District are subject to contract termination. School board members or other District officers are subject to such actions as are within the authority of the School Board or district. Violations will also be reported to law enforcement in appropriate circumstances.

The Superintendent shall timely disclose in writing to NHDOE or other applicable pass-through-entity, and to the Federal awarding agency whenever the Superintendent has credible evidence of the commission of a violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code or a violation of the civil False Claims Act ([31 U.S.C. 3729-3733](#)). The notice to the Federal awarding agency shall be directed to that agency's Office of Inspector General. The Superintendent shall fully address any such violations promptly and notify the Board with such information as is appropriate under the circumstances (e.g., taking into account applicable disciplinary processes).
