Retinal Screening

Retinal screening photos are images of the inside of the eye that are used as baseline documentation of a healthy eye or to screen for potential disease(s).

These images can be compared year after year to monitor even the most subtle changes in the eyes, helping detect signs of eye disease and systemic disease as early as possible.

- Members pay no more than a **\$39** copay for retinal screening each year.
- Members with diabetes receive fully covered retinal screening each year.*

*Applies only if your employer has a VSP supplemental medical eye care plan
