

April 2025

Subject: Cannon Lower School Welcomes YOU!

Dear Families,

We are so excited to officially welcome you to Cannon Lower School! Spring is here and our campus is already buzzing with the anticipation of summer! It's hard to believe that in just a few short months, we will be welcoming you to campus for your first day of school. The wonderful thing is that we will have plenty of opportunities to see each other before that day arrives. We will be sharing lots of information over the next few months and I wanted to reach out to remind you of the exciting things to come. If you are not already following us on Instagram, please follow @cannonlowerschool today! We love sharing the exciting things happening in our classrooms.

### **April Events**

We look forward to seeing you on Thursday, April 24 for the New Parent Reception at 6:00 p.m. We certainly hope that you can make it. These events are great opportunities to meet Lower School faculty members and other new families.

### **May - Peek At Next Year**

We know that you are eager to meet our wonderful team of teachers. In our May communication to you, we will be sharing what we call our "Peek At Next Year" communications. These are an at-your-own-pace experience with short videos, resources, summer reading options, and helpful links for summer practice. You will receive an email once this page is available. In addition, there will be an opportunity for you to connect with next year's grade level teams and ask questions.

As an advanced sneak peek for the upcoming school year, you can [click this link](#) to see purchase options for school supplies.

### **June and July**

Please stay tuned for more communication in June and July regarding updates for Lower School. We will also have an opportunity for families to purchase summer readiness materials if you are interested.

If you have not reviewed our offerings for Camp Cannon, we strongly encourage you to take a look today! Camp Cannon is an awesome opportunity for your child to become acclimated to our community and campus prior to the start of school. [Click here](#) for more information!

We are so grateful that you have chosen Cannon as the village to partner with for your child's education and well-being. As we all know, it certainly takes a village to make it happen. I look forward to our partnership. Please reach out with any questions.

All the best,  
Dr. Nixon  
Head of Lower School
