You are currently registered to take an AP course this year. Taking an AP course and exam is a collaborative effort between you, the student, your parent/guardian, and the school. Each party plays a role and must make the commitment to meet the expectations noted below.

**The Student** agrees to organize his/her time and effort to successfully complete the AP course in which he/she is enrolled. The student will notify teachers immediately if he/she falls behind in class readings and/or assignments. The student will be expected to complete assignments, readings, and projects outside of class time. A scheduled AP Exam will be given on a specific date and time as outlined by the College Board. The student is responsible for paying for the cost of the exam. This can be done in the Finance Office.

**The Parent/Guardian** agrees to be familiar with and accept the AP course requirements and policies, and to help his/her child organize study time in support of class assignments. The parent/guardian can assist in purchasing materials and pay the exam fee as determined by College Board. If the parent/guardian is unable to meet these requirements for financial reasons, they will contact the AP Coordinator immediately.

**The School (AP Teacher, AP Coordinator, AP Administrator)** agrees to provide rigorous instruction and challenging course content as described in the *AP Course Description*. The school will provide the student with a copy of the *Bulletin for AP Students and Parents* and agrees to administer the AP Exam in a fair and secure environment as outlined in the *AP Coordinator's Manual*.

The price for the AP Exam is approximately \$94.00 dollars; however, students may qualify for a fee reduction that potentially can reduce the price of the AP Exam (**reduction to be determined by College Board – AP Students will receive this information in the fall**).

If I (the student) fail to take an AP Exam on the scheduled date I will be charged an additional \$40.00.
