

# Get more, worry less: 90-day medication supplies

Optum® Home Delivery, CVS® Pharmacy and Walgreens® can help you easily manage your medication through the **Preferred90 program**.

## How the Preferred90 program works

Preferred90 gives you the option to fill a 3-month supply of the medications you take regularly at Optum Home Delivery. You may also choose a CVS Pharmacy or Walgreens pharmacy.

### Getting started with Preferred90

You could save each time you fill your long-term prescriptions, plus Preferred90 offers you:

#### Choice

Choose Optum Home Delivery, or any CVS Pharmacy or Walgreens nationwide.

#### Savings

You may pay less on a 3-month supply of your medication.

#### 24/7 support

Talk to a pharmacist anytime.

#### Access on the go

Manage medication online or download the **Optum Rx app**.

### Make your choice today

- **Optum Home Delivery**  
Visit [myuhc.com](https://myuhc.com)® or call the number on your health plan ID card.
- **Go to a local CVS Pharmacy**  
Simply show your health plan ID card to a pharmacy team member or visit [CVS.com/transfer](https://CVS.com/transfer) to switch.
- **Go to a Walgreens pharmacy**  
Simply show your health plan ID card to a pharmacy team member, call **1-800-walgreens**, transfer-by-scan on the Walgreens App, or visit [walgreens.com/transfer](https://walgreens.com/transfer) to make the switch.

Optum Home Delivery is a service of Optum Rx, a pharmacy benefit manager and affiliate of UnitedHealthcare Insurance Company.

Prescriptions from Optum Home Delivery should arrive within 5 business days after they receive the complete order. The pharmacy will contact you if there is a medication order delay. Check the progress of your order online.

UnitedHealthcare® and the dimensional U logo are registered trademarks owned by UnitedHealth Group Incorporated. All branded medications are trademarks or registered trademarks of their respective owners.

# Preferred90 maintenance medication list

**Effective Sept. 1, 2025**

This is a list of the most commonly prescribed maintenance medications (those taken regularly on an ongoing basis) in each therapeutic class that may be covered by your plan.

This is not a full list of all maintenance medications. Call us at the number on your health plan ID card if you have questions about a specific medication not on this list or about how to fill prescriptions.

Medications subject to change without notice. This is not a complete list of medications, and not all medications listed may be covered under your plan. Exclusions and utilization management programs, such as Prior Authorization - Notification, Prior Authorization - Medical Necessity and/or step therapy (referred to as First Start in New Jersey) programs may apply. Please refer to plan benefit documents. Review your benefit plan documents to see what medications are covered under your plan. Where differences are noted between this list and your benefit plan documents, the benefit plan documents will govern. Please refer to [myuhc.com](https://myuhc.com) for information on specific drugs included in these programs or call the member phone number listed on your health plan ID card.
