

The Pleasanton Unified School District African American Family Network

Building Strong Connections in Community

The Mission of the African American Family Network is

- To facilitate a forum for the families of African American students to connect to one another and with PUSD teachers, staff and other district personnel.
- To provide a safe and supportive forum to offer feedback to PUSD regarding the academic and social emotional needs of our African American students.
- To connect parents and guardians of African American students to resources.
- To advocate for a high quality educational experience for our African American students.
- To ensure that every African American student graduates from PUSD college and career ready.
