The school functions designation shall not apply to any group who uses school facilities or grounds activities other than extracurricular school events, school fundraisers and community support events, as determined by the Board. The District retains all rights to designate or specify school function Tier 1 groups in its sole discretion, consistent with the Civic Center Act, California Education Code section 38130, *et seq.*, California Code of Regulations, Title 5, section 14041, and any other applicable law.

General classroom facilities, which do not include specialty teaching spaces such as, without limitation, dance studios, music practice or performance spaces, theaters, art studios, laboratories, etc. School grounds, such as, without limitation, athletic fields, tennis courts, track and field venues, basketball courts, etc., are also not general classroom facilities for purposes of this exclusion. Capital direct costs shall apply to all specialty-teaching spaces, school grounds, and other non-classroom spaces. (5 CCR §14037(b)(1)(A); Ed. Code, §38134(g)(1)(B)(i); *see generally* 5 CCR §14030(c) & (g)-(k).)
- b. (Ed. Code, § 38134(e).) Fair Rental Value Fees mean the direct costs to the District plus the amortized costs of the school facilities or grounds used for the duration of the activity authorized. **FEES:** Attachment A “Schedule of Community Rental Fee” is based on like facilities being used for different types of groups and activities delineated by District goals and proscriptions of the Civic Center Act. Priority is given to school events, then to youth events, and then to non-youth events.

For purposes of charging fees, “hours used” will be rounded to the next higher half hour. The District reserves the right to cancel or suspend permit if payment is not paid within 45 days. Charges will be made, as provided by law and as outlined below, for any additional cost such as audio/visual equipment, supplies, utilities, custodial services and salaries paid to District employees which are necessitated by the organization’s use of the facilities and grounds.

The Administrative Fee assigned for tiers 2-6 will be charged for each “Processing Event”. A “Processing Event” is defined as submission of any number of forms at any number of facilities, which are submitted to the District at one time. For example, if a sports group plans to have activities over a three-month time period and located at five different school sites, if the entire package of forms is submitted at the same time, only one administrative fee will be charged. If,

however, an additional form is submitted later, or if a change to the original plan is requested, the fee will also be charged for that processing event.

Facility Renter will be charged a fee of \$61.85 for each check returned for insufficient funds. Payment to replace insufficient funds will be repaid by cashier's check.

**FEE SCHEDULE RATE ADJUSTMENT:** Fees stated herein are valid only for the academic year specified above. For 2024-2025, the fees stated herein shall be effective as of July 1, 2024, for any Use Permit issued on or after July 1, 2024. Use Permits issued prior to that date shall be charged in accordance with the Fee Schedule in effect at the time of the issuance of the Use Permit until the expiration of the Use Permit. The fees stated herein shall be effective for all civic center uses as of July 1, 2024.

*Fees shall be updated and effective as of July 1 of each year thereafter.*

**CUSTODIAL FEES:** The District will charge the user a minimum of two hours of custodial fees. Depending upon estimated attendance of user's event more hours could be required. If a use occurs during school hours, the custodian will open and close, but will not set-up. If set-up is required, a custodial fee will be charged. Your scheduled custodian and designated member of your organization are required to prepare Check-In/Out form upon arrival and departure. The Check-In/Out form protects the District, site and facility user. The renting organization should never leave a site unattended.

**CSEA ARTICLE 11.9-CALL BACK TIME:** Call back status is defined as an employee's physical presence at a work site in response to one or more emergency events within a two (2) hour period of time after completion of his regular assignment. An employee responding to a call back to work will be compensated at the overtime rate for a minimum of two (2) hours. If the work exceeds two (2) hours, the employee will then be compensated at the overtime rate for actual hours worked.

**OPENING, CLEANING AND CLOSING:** A select list of Administrators and/or Certificated employees/teachers, approved in advance by the Facility Use Committee, may open and close at the site (except Swimming Pools and Theaters), at which they are assigned on their regular workday if they complete the Facility Use training at the District office. Training Certification will include:

1. Facility Use Policy and Administrative Regulation
2. Restroom cleanliness standards and procedures
3. Blood Borne Pathogens
4. Hazardous Materials Safety
5. Asbestos safety
6. Fire safety and response
7. Use of District keys
8. Use of site alarm system
9. Heating, Ventilation, and Air Conditioning (HVAC) bypass timers
10. Pre- and Post-Inspections

The administrator and/or teacher will ensure the facility is cleaned after the event. Otherwise, a custodian will be assigned to the event at the cost of the user. The Administrator and/or teacher contacts Facility Use Department to schedule training appointment.

In order to comply with negotiated terms between the District and the California Schools Employee Association, a greater fee (\$50.00 per hour) will be charged for custodial opening and closing services on the following holidays:

- New Year's Day
- Christmas Day
- Thanksgiving Day
- Easter
- Fourth of July

**EXCEPTIONS/FACILITY USE COMMITTEE:** A committee, known as the Tracy Unified School District Facility Use Committee, consisting of three elected members of the Tracy Unified School District Board of Trustees shall be formed to review, accept, or reject all requests for exceptions. The Associate Superintendent for Business Services will act as the convener of this committee. This committee will review and make the final decision on appeals made relating to specific uses. Exceptions to the stated tier and pricing structure stated above may be granted if:

1. The activity is deemed to fit within a different tier than originally assigned and/or the activity is a curricular, co-curricular, or extra-curricular school event.

The Governing Board designates the Director of Maintenance, Operations, and Transportation (MOT) to manage all aspects of community rental of school district facilities. The Director shall be responsible for the coordination and interpretation of the policies and regulations regarding the use of the Tracy Unified School District (“District”) facilities. The District and its school sites have priority use of Tracy Unified School District facilities over outside requests for rental.

## **GENERAL PROVISIONS**

The District School Board and specifically designated representatives are the only District representatives who may be authorized to sign contracts for the District. School site staff members are not authorized to make community rental or use agreements or execute contracts regarding the same. Requests for use of District facilities by non-District employees should be made directly to the District Facility Use Office. The District MOT Office will contact the school site as necessary. All External Renters granted the use of District facilities shall assume full responsibility for compliance with all applicable state and local fire, health, and safety laws and regulations.

**CSEA Prohibitions.** Article 3.3 & 3.4 of the Master Agreement between the District and the California School Employees Association (CSEA) prohibits the use of volunteer, non-paid workers and students from conducting work normally or customarily performed by CSEA employees unless formally reviewed and approved in advance. This applies to use of kitchen facilities and food services equipment. The following are also prohibited: use by an individual group for the commission of any crime or any act prohibited by law; use constituting a monopoly for the benefit of any person or organization; use of school facilities or grounds which is inconsistent with their use for school purposes, or which interferes with the regular conduct of school.

**Electronic Equipment Prohibitions.** To conserve energy, reduce costs, and improve safety, the Tracy Unified School District prohibits external users from using appliances, including but not limited to refrigerators, fans, coffee pots, space heaters, radios, computers, printers, televisions, copiers, fax machines, etc., unless expressly authorized on the approved permit.

**Rules of Conduct.** SMOKING, VAPING, TOBACCO PRODUCTS, ALCOHOL, DRUGS, FIREARMS OR EXPLOSIVES ARE PROHIBITED ON ANY SCHOOL DISTRICT PROPERTY. External Renters or groups using school facilities shall be liable for any property damages caused by the activity. The Board shall charge the amount necessary to repair any damages and may deny the organization further use of school facilities. The organization shall, as a condition of use, agree to be held financially responsible in the cause of loss or damage to District property. No activity will be permitted which is in violation of local, state, or federal law, or District policy. It is the External Renters’ responsibility to make sure their guests adhere to the rules. Food and drinks, including water are prohibited in all main and sub-gymnasiums. External Renters shall never leave a rented building or stadium unattended and will be held financially responsible in the event of loss or damage to District property.

**Vehicles on District Property.** Unless otherwise directed, External Renters may park in District parking lots during activities for which they have been approved but must park only in designated parking spaces. Otherwise, no vehicles other than District owned and operated vehicles and designated emergency response vehicles may be operated on TUSD property. All vehicles on TUSD property must comply with posted signage and must keep fire lanes and handicapped stalls clear.

**Supervision of Attendees:** External Renters are required to provide adult supervision of all attendees at all times said attendees are present on District Property. If External Renter fails to provide supervision, the organization may forfeit their privilege of use of District property for one year or more, in the District's discretion.

**Requirement to Produce Permit.** External Renters must inform all of their league officials, coaches and parents that District Security Department and/or any District employee who finds any organization on District property without a current approved Facility Use permit will be asked to leave, and a record of the incident will be documented. If a second incident of an External Renter being found on District premises without a permit, the organization will be sent a letter of warning. If a third offense occurs, the organization can and will forfeit their privilege of use of District property for one year. If the organization repeats the same offense the next year, the organization may lose privileges for two years then consecutively thereafter. If an organization is on District premises, does not possess a permit, and refuses to leave the premises, the Organization may lose privileges of use of district property. In these circumstances, the District Security Department is advised to call Tracy Police Department. Upon arrival and while remaining on District premises, External Renters must carry an approved paper or electronic copy of the permit with them at all times. Custodial staff will not open a facility if permit is not present.

**Employee Supervision of Tier 1 Activities.** For Internal Users in Tier 1 where no fees are charged, there shall be an employee of the District in charge whose duties shall include the opening and closing of buildings and grounds, the operation of mechanical systems, the enforcement of regulations and prevention of disturbances, and cleanup of litter, trash, or garbage associated with the rental activity. Tiers 1A, and 1B uses may require insurance coverage and incur fees such as payment for the cost of custodial staff on overtime.

**Conditions of Facilities.** External Renters and any of their attendees shall be responsible for the condition in which they leave the facilities. The rented area should be left in the same condition in which it was when You (the renting organization) arrived. Custodians only provide approved requested equipment – they do not set-up for Your event. Any abuse or misuse of facilities, including playing fields, shall be reported immediately to the Director of MOT. External Renters agree to reimburse the District for all costs incurred in repairing damages including, but not limited to the facility, furnishings, fixtures, grounds, and/or additional cleaning/litter removal required outside of the normal scope for said facility, which occurred in connection with the External Renters' activity and caused by the renter, sponsoring External Renters, and/or attendees. Reimbursement for such expenses will be in addition to the security deposit. Failure to pay immediately for damage shall be grounds for denial of future facility requests. Any abuse or misuse of District facilities may be grounds for refusal of future facility requests. External Renters will be charged the actual cost of cleanup if litter, trash, or garbage remains on campus. The rented area should be left in the same condition in which you arrived. Do not insert any stakes, pegs, nails or any other fasteners into stadium turf or track or grass fields.

**Location of Fire Exits.** External Renters and their attendees must be aware of the location of emergency exits at all times.

**Maximum Occupancy.** Due to Fire Regulations, the number of people present, at any activity, shall not exceed the posted occupancy chart listed in District Administrative Regulation 1330.1 Facility Use Policy.

**District Right to Cancel.** The District reserves the right to deny or cancel scheduled facility use activities to accommodate unanticipated conflicts with school activities, or to perform scheduled, emergency maintenance or facilities development of District facilities and grounds.

**Application Processing.** Because the District must process applications and schedule staff to open and close the facilities, cancellations and revisions must be made at least **seven (7) calendar days** in advance of a scheduled

event. Events that are not cancelled prior to **seven (7) calendar days** before event, and for which no notification is made, shall forfeit all fees. External Renters are allowed two (2) revisions (changes, additions or cancellations) to each approved permit without additional cost. Any additional changes will result in additional charges of administrative processing fees. Additional dates may not be added to an approved permit. All changes require submission of a new application. Cancellations may be made up to 24 hours after an outside event when a rainout occurred and when no cost of labor or utilities was incurred by the District. Rainout notification must be made before or on the day of cancellation by email or voicemail.

**Rainouts & Inclement Weather.** Rainout notification must be made before or on the day of cancellation by email or voicemail. In the case of active rain, all fields are closed during the time of actual rain; the fields are then reassessed once the rain has ceased. On occasion, on a non-rainy day, staff will determine a field to be closed based on excessive rains during the previous day(s), which have left conditions unsafe for use, even though the rain has stopped. Fields may be closed due to frost or other conditions that may damage the turf or playing surface. Play may be suspended due to excessive heat. Check Field Hotline before use: (209) 830-3298.

**Field Conditions.** Field conditions are assessed based on both the short-term and long-term impacts to each field's playability. TUSD staff will determine if the fields are open or closed. An annual rest and renovation of field is scheduled to maintain field sustainability. The health and safety of the user and conditions and playability takes priority. This may require the closure of fields, and denial for use of a field at any time. No user group shall use fields that are closed for renovation or repair.

**Pesticides.** TUSD maintenance staff frequently applies pesticides on and around sites in accordance with the Department of Pesticide Regulations (DPR). DPR mandates TUSD post notification to the public whenever these pesticides are applied. In addition to posting these notifications, TUSD is also required to close the area for public use for a period of time specific to each type of pesticide. For their own safety, renters are required to follow the limitations described by all postings.

**Emergency Stand-By.** In the event the assigned District employee is not present when scheduled and you have waited 15 minutes, contact the security department Monday-Friday after 5:00pm at (209)321-0242, 321-3999. On weekends and holidays, call Stand-By person 321-1329 (Thu.-Sat) and 321-3417 (Sun-Wed) between the hours of 6:00am to 8:00pm. If External Renter calls the weekend stand-by person out for any reason other than an emergency, External Renter may be charged an additional two (2) hours of custodial fees. Security and Stand-by will ask External Renter for approved permit before they open any doors.

**Arrival Time.** If You arrive late to Your approved arrival time, the assigned custodian is not required to wait more than 15 minutes. If You notify Stand-By or Security to assist Your facility use, You will be charged for additional custodial hours.

## **ADMINISTRATION OF AGREEMENT**

**Suspended or Expelled Students.** Students suspended or expelled from a District school are not allowed on District property even if they are legitimate members of an External Renter.

**Portable Toilets.** External Renters of outside grounds including but not limited to: tennis courts, outside basketball courts, stadium, Track located at Williams, pools, and softball fields, are required to provide portable

toilet services for their attendees. They must arrange for delivery of those services. However, prior to making any portable toilet delivery arrangements, External Renters must contact the Facility Use Office to determine an appropriate time and placement of toilet units. Portable toilets must be secured to fence to avoid vandalism.

**Kimball High School Pool.** External Renters renting Kimball High School pool are required to provide their own portable toilets and garbage dumpsters. There is no access to rest rooms.

**No Food, Drinks, or Glass Allowed in Pool Areas.** Plastic water bottles only. If You require the use of a lift device to gain pool access, please contact any lifeguard.

## **LIMITATIONS**

Applicants should only reserve the areas they intend to use. Applicants must notify the Facility Use Department to report any reserved time that can be released for general public use or to other groups per cancellation policy. Continued non-use of a rented, permitted area may result in revocation of the permit of the allocated area.

**Non-Human Animals.** No person shall cause or permit pets or animals to be on school grounds or in school/District facilities, although no part of the policy shall prohibit the appropriate use or access of legally approved/supervised service animals. With prior consent of the superintendent or designee, working animals shall be permitted limited access as appropriate.

**No Lease / Sub-Lease.** External Renters are not authorized to lease or sublease District property to other individuals; doing so could revoke approved permits and future requests.

**Use of District Furniture and Equipment.** When scheduled External Renters use District furniture or equipment, External Renters shall inspect said furniture and equipment prior to use to ensure the safety of External Renters' participants. If District equipment is unavailable, out of commission, or restricted from outside use, it shall not be made available to renters. District shall not be held responsible for equipment which is operable during a pre-inspection, but which is out of commission at the scheduled time of an outside facility rental event.

**Lockers.** Middle and high school lockers are not permitted for rental with the exception of Millennium High School.

**Storm Drains.** No persons shall be allowed to discharge any unauthorized substance into storm drains on school district property per State Water Resource Board Small Municipal Storm Water Permit, section F.5.a.1, *Legal Authority*.

No part of any building may be entered and/or no equipment may be used which is not specifically listed on the approved application. No structural or mechanical apparatus may be erected, nor any electrical, mechanical, structural, nor physical changes including the removal or destruction of locks made to any existing facilities or grounds on District property, without specific written approval by the District representative approving the Application of the use of District facilities.

**Advertising.** External Renters are not permitted to post banners or advertisement during regular school hours and only may do so during their scheduled facility use time. Regular school hours are defined as 7:00am-6:15pm Monday through Friday every week of the calendar year except Christmas Eve and Christmas.

**Keys.** Room and Stadium keys required to carry out any and all activities shall remain in the possession of authorized District employees.
