

# 2025 BENEFITS OPEN ENROLLMENT

**Open Enrollment is April 28th - May 16th**  
**July 1, 2025 effective date!**

## Welcome to the Barstow Unified School Districts Benefits Plan!

We are proud to offer a wide array of benefit options and want to ensure you have the best resources available for making enrollment decisions. We are excited to announce there are **no plan changes** this year. We encourage you to visit the resource links included here to learn more about your benefit options for the coming year.

During our annual open enrollment period, you have the option to enroll or decline coverage for yourself and your dependents. **Be sure to make your elections by logging into our benefits portal, [click here](#).** Instructions for logging into the system and creating an account are located starting on page 2 of our Employee Benefits Guide.

**This year is a PASSIVE enrollment**, which means all of your benefits will roll-over from the 2024/2025 plan year if you do not actively make elections for the 2025/2026 plan year. We need you to log in and confirm your personal information, review your existing benefit elections, and make any changes if necessary.

**IMPORTANT!** If you are enrolled in a HSA, FSA or DFSA, you are required to **take action**. Remember all elections expire each year. If you plan to participate for the 2025/2026 plan year, you are required to re-enroll. You would do this through the Benefitfocus portal. For Voya resource [click here](#).
