PARENT UNIVERSITY: ASSISTIVE TECHNOLOGY

HOSTED BY PEQUANNOCK S.E.P.A.C
SPECIAL EDUCATION PARENTS ADVISORY COMMITTEE

Pequannock Township School District's Chief Technology Officer, Matt Shea, will share the district's technology tools used to support our learners. These tools will include day-to-day accessibility tools, specialized assistive technology tools, and emerging technologies to look forward to. Mr. Shea will make time for a Q&A at the end of the session (please keep questions non-student-identifying).

**THURSDAY
24 APRIL, 2025**

7:00-8:00 PM

MATT SHEA

Matt Shea has been in K-12 Education for over 18 years. Mr. Shea has led technology initiatives for both general education as well as special education. He has always focused on assistive technology as both a universal tool for all students as well as specialized tools for students with special needs. Mr. Shea has hosted training and professional development for teachers and case managers as well as provided training one-on-one with students. Mr. Shea was also an adjunct professor in the special education department at William Paterson University, where he taught Assistive Technology to undergraduate students.
