What would a Contingent Budget mean?

What might it look like?

If the vote should not pass in May, the Board has two options

- ❖ Go for a budget revote in June OR
- ❖ Adopt a contingent budget

If the revote in June fails, districts must adopt a contingent budget at that time.

What a contingent budget would look like:

- ❖ No increase in the tax levy from prior year.*
- ❖ Eliminate Equipment purchases for next year.
- ❖ Eliminate the Capital Outlay Project (\$100,000 project at GLP).
- ❖ Not allowed to allow Use of Facilities on a free basis.
- ❖ Eliminate School Bus purchases.
- ❖ Elimination of other non-contingent expenditures as needed.

* Though the overall tax levy would be unchanged, individual tax bills may rise or fall because of changes in assessed valuation or in the distribution of real property taxes among the towns, as well as other factors which are outside the control of the school district.
