

APRIL 2025

ROBO JAGS

JOURNAL

MMS ROBOTICS BOOSTER

We
bring
DREAMS
to life!

What a journey this year has been for our Robo Jag teams! It all started with big ideas fueled by hard work and imagination. The creative engineering efforts of these innovative students led to a year of Robotics success. We are so proud to highlight these outstanding achievements in our final 2024-2025 Robo Jags Journal.

Thank you to ALL our students for your commitment to the process of designing, building, coding, and note booking to bring your vision to life! We celebrate your victories... small and large! We have State Champions! We have teams competing at the VEX Robotics World Championships in May! Your list of accomplishments is long, but wins this year have come in many forms, not only awards. We have seen excellence in leadership, teamwork,

perseverance, and innovation. Growth has been tremendous! Way to go, Robo Jags!

A great big thank you to our corporate sponsors, volunteers, and parents! You have helped cultivate a creative learning environment that allows these students to explore their passion for STEM. Our program would not succeed without you and your support. **We bring dreams to life because of YOU!**

Mrs. Rice, VEX IQ (6th Grade)

2025 Mississippi VEX V5 Robotics Championship

Qualifying Teams:

The Default
Hailstorm
Technotronics
Nuclear Powered Winged Ice Cream
Androidica
Acidic French Toast
Twisted Metal
Capitalist Crew
Overheated
Nexus
Bagel Bites

State Awards:

Nexus
won
Tournament
Champion
and the
Excellence
Award!
Congrats
STATE
CHAMPS!

Acidic French Toast
won the
Skills Challenge Award!

Jenny Jewett won
Mississippi Robotics
Volunteer of the Year
Award!

2025 Mississippi VEX IQ Robotics Championship

Qualifying Teams:

The Smart Squad
The Microwavable Pizza Potatoes
It's Abot Time

State Awards:

The Smart Squad
won the Teamwork
Challenge Champion
Award and the
Create Award!

**The Microwavable
Pizza Potatoes**
won the Design
Award!

It's Abot Time won the
Judges Award!

VEX V5 2025 Competition Highlights and Congratulations

Competition at MMS on January 25th:

Androidica won Tournament Champion for Middle School!

Bagel Bytes won the Skills Award for Middle School!

Nexus won the Excellence Award competing against high schoolers!

Technotronics finished as a Tournament Finalist for Middle School!

Competition at MMS on February 8th:

The Robo Dragons won the Innovate Award for Middle School!

Nexus won the Design Award competing against high schoolers!

Acidic French Toast won the Skills Award competing against high schoolers!

Team Capitalist Crew and **Twisted Metal** won Tournament Champions for Middle School!

Overheated competed in the U.S. OPEN C.R.E.A.T.E. Competition in Iowa in March!

2025 VEX V5 Robotics World Championship in Dallas, Texas in May.

Good luck to our amazing teams
competing at Worlds!

Nexus
Acidic French Toast
Overheated

VEX IQ 2025 Competition Highlights and Congratulations

VEX IQ Competition at MMS on January 11th:

Abot Time won the Judges award

The Smart Squad won both the Teamwork Challenge Champion and Creat awards

The Microwavable Pizza Potatoes won the Design Award

Sparkly Slayful Snakes

VEX IQ Competition at Old Town Middle School on February 1st:

Quake won Tournament Champions

Sparkly Slayful Snakes earned the award for best Decor!

2025 VEX IQ Robotics World Championship in Dallas, Texas in May.

Good luck to our amazing teams competing at Worlds!

The Smart Squad
The Microwavable Pizza Potatoes

Reapplying to Robotics

We are excited so many Robo Jags have applied to join us again next year!

The 2025-2026
Robotics Roster will be
posted in early May at:

mms.madison-schools.com/clubs/robotics

** Keep an eye out for communications on Remind and School Status letting you know when it's posted.*

Registration Payments

Registration payments are mandatory and will be collected in July. Payment options will be communicated in May.

Vex IQ Registration **\$200**
Vex V5 Registration **\$250**

Parents Please Note...

1. Fundraising is Mandatory

All students are required to participate in our Robotics Fundraiser

2. All Robotics Families Must Volunteer

Many volunteer opportunities will be provided throughout the year. All families are required to volunteer a minimum of **4 hours** throughout the year.

Volunteer Opportunities Include:

- Home Volleyball Concessions Stands
(5 games: August /September)
- Home Basketball Concessions Stands
(10 games: October - December)
- Robotics Competitions
(5 competitions November - February)
 - Field setup and/or take down
 - Home Robotics Competition Concessions Stands
 - Robotics Competition: Notebook Judge, Inspector, Referee, Interviewer
- Other as needed

**Robotics competitions are
100% volunteer-run**

Robo Jags Moving to Rosa Scott

We have a very talented group of 8th grade Robo Jags that we are sad to see go!

The Robotics Sponsor at Rosa is:

Cam Ogletree

cogletree@madison-schools.com

We look forward to hearing about your success in the year ahead! Best of luck to you all!

Stay Connected

Mississippi
Children's  Heart

Robot Sponsor \$1,000

Bringing Dreams to life begins with the generous support of our Robot Sponsors. Thank you for your donation, it plays a crucial role in helping transform ideas into reality.

Team Maker Sponsor \$5,000

**GROUP STEEL ERECTORS
& C3 CONSTRUCTION SERVICES**

As a Team Maker Sponser your contribution supports essential educational opportunities for ALL our students and opens up the design process for growth and improvement. Thank you!
