**Kindergarten
Screening
May 27 to
May 30**

Who is eligible for kindergarten?

Any student who turns 5 before September 1st.

How will students be selected for full day kindergarten?

Students must be fully enrolled and complete Kindergarten screening to have the opportunity to be considered for full day Kindergarten. Students will be placed in a lottery and families will be notified in June of half day or full day Kindergarten placements.

If my student is in half day Kindergarten, can I choose if my child is in the AM or PM class?

Preferences can be shared at registration, however, we cannot guarantee placement requests.

When will we receive teacher assignments for our student?

A letter will be mailed in early August with your teacher assignment.

Is transportation available for kindergarten students?

Half day Kindergarten students who are eligible to ride the bus will ride the bus one way - to school if they are in the AM session or home from school if they are in the PM session. However, all mid-day transportation (AM dismissal and PM arrival) must be provided by the families.

Full Day Kindergarten students will be able to ride the bus in the morning and afternoon.
