6. Future Topics and Discussions

a. Fentanyl Awareness Presentation Update

Patrick Just updated the committee that the student presentations are going well.

Janice Longino updated the committee on several items. The 2nd-grade swim program is a

week-long program at all elementary campuses. The swim curriculum is focused on water safety. CATCH is being updated, and the district has purchased the new CATCH curriculum book for all elementary schools. Health lessons will be provided weekly. PE staff are using chula hoops instead of hula hoops. Chula hoops come in different sizes, which helps anyone to successfully use them. District staff are seeking resources to help purchase Chula hoops for all elementary PE programs.

7. Other Topics

a. American Heart Month

Patrick Just and Nichól Smithers that Health Services set up employee blood pressure self-check stations at all campuses.

8. Adjourn

The meeting adjourned at 6:10 PM
