

SAT and ACT

The SAT and ACT are college admission tests offered multiple times a year. Many colleges require an SAT or ACT for admission purposes, class placement, and/or scholarship consideration.

Lakeland offers the SAT free of charge to all juniors in April. Lakeland will register all juniors for this test session - no additional action is needed by parents or students to participate. Parents may choose to opt their student out of SAT testing by written request.

Additional Testing Opportunities - Students wishing to take the ACT or retake the SAT, must register directly with the testing service:

ACT - <https://www.act.org/>

SAT - <https://satsuite.collegeboard.org/sat>

PSAT

All 10th grade students will participate in PSAT 10 testing unless opted out by a parent.

11th grade students will have the option to take the PSAT / NMSQT (National Merit Scholarship Qualifying Test) at LHS. Test dates and registration information will be provided through parent/student communication in the fall about this option.
