

Personal Reimbursements

While it is recommended that all purchases of goods or services be made within established purchasing procedures, there may be an occasional need for an employee to make a purchase for the benefit of the District from personal funds. In that event, an employee will be reimbursed for a personal purchase under the following criteria:

1. It is clearly demonstrated that the purchase is of benefit to the District;
2. The purchase was made with the prior approval of an authorized administrator;
3. The item purchased was not available from resources within the District; and
4. The claim for personal reimbursement is properly accounted for and documented with an invoice/receipt.

The District business office will be responsible for the development of the procedures and forms to be used in processing claims for personal reimbursements.
