LONG ISLAND P.R.E.P

Prevention and Resilience Enrichment Program

***www.longislandprep.org*.**

Opioid Grant

This opportunity is provided by the Suffolk County Opioid Grant for ten (10) School Districts *AT NO COST TO THE DISTRICT* utilizing opioid funding to help accelerate the integration of mental health and substance use disorder treatment.

STEP 1

Express your interest!

STEP 2

Set up a brief call or Zoom by emailing a.rullan@longislandprep.org.

STEP 3

Decide how to use Knowledge is Power! This is customized to the needs of your district.

STEP 4

Set up dates for Knowledge is Power! Workshops/Forums, Parent Academy/ Your choice!

What's included in the Grant?

Unlimited access to **PREP Academy** for faculty and staff providing no-cost Continuing Teacher and Leader Education (CTLE) credits, aligning with requirements of New York State to address substance use prevention and mental health awareness for Suffolk County educators.

Knowledge is Power! Community Outreach presentations/workshops/forums to enhance community awareness and professional development services to help support children effectively in substance use prevention and mental health awareness. Includes:

- insight into the trends, factors, and drivers of youth substance use;
- effective mental health practices and strategies; and
- address the knowledge gap between youth experience at home and in school by providing parents, teachers and community professionals.

PLEASE VIEW THE ATTACHED LISTING OF CTLE COURSES AND TOPICS FOR COMMUNITY AWARENESS.
