Acknowledgement of Parent/Guardian

I understand and consent to the athlete responsibilities set forth in the PflISD Athletic Handbook. I also understand and agree that my child shall be held accountable for the behavior expectations and consequences set forth in the PflISD Athletic Handbook. I understand that in addition to obeying rules set forth in the PflISD Student Code of Conduct, all athletes participating in PflISD athletics will be required to comply with the guidelines and disciplinary regulations contained in the PflISD Athletic Handbook.

I understand that the PflISD Athletic Handbook is not a substitute for the PflISD Student Code of Conduct or the official PflISD policy manual. I understand that the PflISD policies and procedures can change at any time. Additionally, I have been advised that my child's participation in interscholastic athletics is a privilege, not a right. Since athletics are optional, I understand and agree that those who choose to participate will be held to higher standards of behavior and performance in and out of school.

I also accept responsibility for contacting my athletic campus coordinators if I have any questions, concerns, or need further explanation of any policies in this document.
