Questions and Answers:

1. In the event that a substitute will have to be swapped for a title after the POs are released, will there be extra time allowed to fulfill the orders?
   Answer: The District will not accept alternate titles after purchase orders are printed. Purchase orders will reflect titles awarded and approved by the Board of Education based on all bid responses. Vendors should only bid on titles they are confident they can fulfill in the specified quantities and timeline. Any titles that cannot be fulfilled as originally bid will be removed from the purchase order(s).

2. Will we, as a bidder, know the titles that we have won before the purchase orders are released?
   Answer: Results of the bid will be approved at the May 27, 2025, Board meeting and results will be made public the following day.

3. Will the schools accept partial shipments of the books, or must they be shipped in full?
   Answer: The District requests ALL orders ship 100% complete per school site.

4. Your list of titles has bindings listed. Do you want a response with these bindings only, or do you want us to provide the least expensive bindings available for each title?
   Answer: Column G "Binding Type if other than specified" on the bid form is intended to be used only when the vendors are providing a bid response that does not match the specified binding type listed on the line-item description column E "Binding Type".

5. Also, can you tell us when you are expecting delivery to be made after award?
   Answer: Purchase orders are estimated to be released on or before July 9, 2025, with REQUIRED delivery on or before August 22, 2025. Deliveries may arrive at school sites no earlier than August 4, 2025.

6. Do you have a delivery deadline, or are these titles that will just be ordered sporadically (as needed) throughout the term of the awarded contract?
   Answer: Purchase orders are estimated to be released on or before July 9, 2025, with REQUIRED delivery on or before August 22, 2025. Deliveries may arrive at school sites no earlier than August 4, 2025. The quantities listed are for the elementary school sites within the District. Contingent upon funding, additional quantities may be ordered after the initial purchase orders are processed.
