

Parent Bulletin Friday 4th April 2025

Dear Parent/Carer

We have had a quieter week at Slough and Eton after the busy nature of the last few weeks. Today we finish for the Easter holiday and for students in Years 10, 11, 12 and 13 this should definitely involve work to prepare for exams next term. We now have all the options information we need from Year 9 students and have started making offers for Year 11 students to join us in the Sixth Form next year. Before then there is much work to do of course.

Easter School

Mr Leane has written to over 130 parents this week inviting their children into school next week as part of our Year 11 Easter School. There are sessions from our teachers in DT, Drama, Geography, English, Health and Social Care, Dance, Motor Vehicle, Art and Psychology. If your child has been invited please ensure they attend, if they are unable to please get in touch with Mr Leane (ale@slougheton.com) to aid with our planning. I trust all Year 11 students have a sound plan for revision activities over the next two weeks. There are hundreds of resources stored in our digital Year 11 TEAM which are accessible to students through any WIFI enabled device.

Parent Pay

This is now active as our new online payment system. We have sent parents a separate message on WEDUC about this with details of what you need to do.

Community Behaviour

Please make sure your child is behaving well on the way to and from school. This is especially true for students who collect siblings from Montem Academy who mustn't use their site as a cut through.

Meet The Heads of Year

At the end of this bulletin I have a short biography of each of our fantastic Heads of Year for you to read and know more about. Please do check out the details.

Online Safety

This week's safety online guidance is about Internet Matters and WhatsApp Safety Guide. You can access the details [here](#).

And finally,

We have broken up now for the Easter Break and return to school on Tuesday 22nd April at the usual time.

Happy Easter!

I hope you all have a great break.

Best wishes
Peter Collins
