

*We are all created unique and special.*

*He made us all perfect having our own uniqueness.*

*1 Peter 4:10-11 “God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another.”*

Dear Parents/Carers,

It was so lovely to welcome all the children back to school on Tuesday after the Easter break.

It was great to see all the children looking very smart in their full school uniform, if you could help us to maintain this by making sure all children have the correct uniform and footwear. A full list of uniform can be found on our website.

Thank you for all your efforts and help with making Earth day and great success, as a school we like to be as environmentally friendly as possible and are always looking at ways in which we can help the environment.

Our School Class photos will be taking place on Thursday 1st May. All children need to be in full school uniform and not PE kit.

Wishing you a lovely weekend, Emma Stanford-Smith (Headteacher)

**LEARNING SNAPSHOTS**

**Year 1** have had a lovely first week back! The children have been learning to count in 2s, 5s and 10s in Maths. In History, the children have enjoyed learning about the history of Eton Porny School. They have really enjoyed looking at some old artefacts from our school, including photos, old uniform and work books. Some of the artefacts are over 100 years old!

**Ask me: To count in 2s, 5s and 10s.**

**Year 2** started our exciting new topic ‘Magnificent Monarchs’ and as part of this we learnt the names of different historical periods and put them in chronological order. In the coming weeks, we will learn about some famous monarchs in more depth and consider their impact and what they are remembered for.

**Ask me: : Can you name a historical period in British royal history?**

**Year 3** started off the summer term by exploring what life was like in Ancient Rome and looking at artefacts to work out what they tell us about the time-period. They worked on their communication skills in PE when they had to work as a team to make it 'across the lava'.

**Ask me: What was life like in Ancient Rome?**

**Year 4** have had a fantastic first week back at school. They settled in very quickly and were immediately ready to learn. PE this term is a mixture of athletics on the Eton College astro pitches and team building with the Windsor School Sports Partnership. Both lessons have been met with energy and enthusiasm. In Maths we have continued working on decimals and fractions with both tenths and hundredths. Our new topic is called Ancient Civilisations. Year 4 worked hard to guess and then learn what makes a civilisation.

**Ask me: What makes a CIVILISATION?**

**Reception** have started this term with their companion project Creep, Crawl & Wiggle. We began by going on a minibeast hunt and then enjoyed a workshop at the Natural History Museum in Eton where we had the opportunity to look for different types of butterflies and then learnt some new words like: arthropod, arachnid, insect, myriapod and crustacean. We also had fun planting sunflower seeds and revisiting what a plant needs to survive.

**Ask me: Where is the skeleton of an arthropod?**

# PTA PRE LOVED UNIFORM SALE

FRIDAY 2ND OF MAY

AT PICK UP

ALL ITEMS £1

EXCEPT BLAZERS

We have lots of great Pre-loved uniform for sale Cash or Card Accepted.
