Every Child Matters

PASSAICResourceNet.org

Every Child Matters was founded in 2017 by Jacqueline D. Baxley, a licensed professional counselor with more than 15 years of experience in the industry. Since the establishment of our facility, we have serviced hundreds of children and families throughout the state of New Jersey providing therapeutic services in their homes and communities.

Faith Home Healthcare

Faith Home Healthcare is a new jersey based provider of home care services with 4 years of experience and dedication to enhancing quality of life for others.

We are proud of our compassionate home care program designed to help people stay at home and healthier longer.

Families and Communities United, LLC

The agency provides Intensive In-Community (IIC) Services for youth and families in need. Services are available in various languages. The agency Family Consultants are available to complete biopsychosocial assessments and Needs Assessments. BA and mentoring services are also available.

Families for Families

We help families as they are transitioning out of homeless shelters with furniture, housewares, clothing and other basic necessities as well as mentoring opportunities to help families reach a place of financial stability.

We also have a food pantry that is open Fridays 3-5 and Sundays 10-12 except for the first weekend of the month.

Family Connections

We're one of New Jersey's leading social services organizations, known for our excellence and for always reaching higher. We center our services on the needs of our communities, delivering dozens of counseling, skills-building, training, and prevention programs rooted in cutting-edge research.

Family Enhancement LLC

Family enhancement provides Intensive-In Community (IIC) therapy and Behavioral Assistance (BA) services.

Areas of specialty:

- Family therapy
- Parenting support and consultation
- ADHD
- Anger Management
- Oppositional Defiant Disorder (ODD)
- We Provide Nurtured Heart® Coaching/Trainings for individuals, families, schools, and organizations

Mom's Quit Connection (MQC) for Families provides free, one-on-one counseling for pregnant and postpartum women; moms, dads, and family members who want to quit smoking to protect children, 7 and under, from exposure to harmful tobacco smoke.

Montclair State University Community Counseling Clinic

Montclair State University (MSU) created the MSU Community Counseling Clinic (CCC) to provide low cost, professional, and compassionate mental health counseling services to assist individuals, couples, and families in the Montclair area.

Mood Disorder Group (SERV) Hybrid

📅 Tuesdays at 6 PM

Are you having a tough time with mood swings or sadness?

If you are experiencing mood swings, depression, mania, irritability, not enjoying things like you used to, fatigue, feelings of worthlessness or guilt, you may benefit from this support group!

Moving On Life Center, Inc.

Our credentialed counselors are holistic practitioners, psychotherapists, and wellness consultants with varied expertise. We take a holistic approach to individual and family counseling by treating the cause, not just the symptoms.

National Runaway Safeline

Call 1-800-RUNAWAY if you are a teenager who is thinking of running from home, if you have a friend who has run and is looking for help, or if you are a runaway ready to go home through our Home Free program. Call if you are a teacher looking for information to pass along to your students about alternatives to running from home. Call if you care about a youth and want information on how you can help someone who may be at risk of running from home.

National Teen Dating Abuse Helpline

You can talk one-on-one with a trained advocate 24/7 who can offer support and connect you to resources. Call toll free 1-866-331-9474 or TTY 1-866-331-8453. One-on-one live chat is also available from 4-midnight Central Standard Time, 7 days a week.

New Alliance Academy

New Alliance Academy is a small private school designed to meet the needs of students that do not experience success within the mainstream learning environment. Specifically, these students have emotional and psychiatric needs that we address with our continuum of care.
