Topic:

Consider Approval of BEA MOU regarding STARS Act

Facts:

1. The [STARS Act](#) was passed by the MT Legislature on 4/22/2025.
2. The STARS Act language requires that collective bargaining agreements define and establish a teacher base rate of pay that meets certain legislative goals.
3. To be eligible for funding provided by the STARS Act for fiscal year 2025, districts must sign a compliance statement by May 15, 2025 as issued by the Montana Office of Public Instruction that the district has either adopted a district policy or has negotiated and finalized an agreement with the teacher's union to ensure that "base teacher pay," as defined in 20-9-324, MCA, is at least the amount necessary to meet the legislative goals for teacher base pay in accordance with the provisions of 20-9-324.
4. The current salary agreement with the Bozeman Education Association (BEA) expires on June 30, 2025. The District has scheduled negotiations for the week of May 12, 2025.
5. The District and BEA have agreed on [THIS](#) memorandum of understanding to ensure eligibility for the funding associated with the STARS Act for 2025-2026.

Fiscal Impact:

The STARS Act will provide a double quality educator payment, which is an approximate \$1.8 million in additional general fund revenue beginning the 2025-2026 school year.

Superintendent's Recommendation:

It is recommended that the Board of Trustees approve the [BEA MOU regarding the STARS Act](#).

Other Alternatives:

1. Do not approve the recommendation and request that the administration propose changes.

Topic:

Consider Approval of Bid for [Willson Drop-off and Storm Drain Improvements](#)

Facts:

1. On February 10, 2025, the Board approved the building reserve allocation of \$350,000 total for improvements to the Willson as they relate to exterior site improvements.
2. Invitations to bid were publicly advertised in March/April 2025 per MCA 20-9-204.
3. Bids were publicly opened on April 11, 2025, with four (4) bids being received.

The scope of the Willson Drop-off and Storm Drain Improvements project includes the replacement of a section of existing storm drain and the construction of a new student drop-off driveway for the Day School on the south side of the Willson School. New concrete sidewalks, paint striping, and signage will also be part of the project.

Fiscal Impact:

\$208,000 - Building Reserve Funds

Superintendent's Recommendation:

It is recommended that the Board of Trustees accept the Bid and authorize administration to award a contract to AV Construction.

Other Alternatives:

1. Do not approve the recommendation and request that the administration propose changes.

Consider Approval of Bid for [Emily Dickinson Library Renovation](#)

Facts:

1. On February 26, 2024, the Board approved the building reserve capital projects for the 2025-2026 school year.
2. Library renovation projects were identified by the facilities director and building principals at both Hyalite and Emily Dickinson. Unfortunately, the Emily Dickinson project was inadvertently left off of the capital projects list that went to trustees for approval.
3. The Emily Dickinson library project remains a priority for both the facilities director and the building principal, and fits within the budget allocation for summer projects.
4. Invitations to bid were publicly advertised in March/April 2025 per MCA 20-9-204.
5. Bids were publicly opened on April 11, 2025, with four (4) bids being received.

The scope of the Emily Dickinson Library Renovation project includes the renovation of the existing library space and the construction of three acoustically separated spaces that are accessory use to the library. The project also includes the construction of a new central circulation desk. Modifications to the library include mechanical, lighting, electrical, flooring, and paint.

Fiscal Impact:

\$205,000 - Building Reserve Funds

Superintendent's Recommendations:

It is recommended that the Board of Trustees accept the Bid and authorize administration to award a contract to CS Structures. Additionally, it is recommended that the Emily Dickinson library project be added to the already approved capital projects list approved by the Trustees on February 26, 2024.

Consider Approval of LRSP Staff Well-Being Measurable Goal and Action Plan

Background:

1. On April 8, 2024 the BSD7 Board of Trustees approved [revisions](#) to the District’s Long Range Strategic Plan (LRSP).
2. Those LRSP revisions included a placeholder under *Goal Area 4 - Student and Staff Well-Being*, for the addition of a student well-being and a staff well-being goal by 2025.
3. The District and Bozeman Education Association (BEA) brought together a consensus committee of 51 individuals inclusive of PK-12 certified, classified, professional, and administrative staff, as well as members of the BSD7 Board of Trustees. A facilitated consensus process was successfully used to accomplish the following:
 - Assess the current state of staff well-being in the district by unpacking Panorama culture and climate survey data.
 - Develop and recommend a measurable goal and related action plan to improve staff well-being.
4. The working group met for three full days in April, and much was accomplished.
5. The group created a draft document outlining the work of the group, which includes a proposed LRSP measurable goal, as well as a proposed action plan to address the goal.

Superintendent Recommendation:

It is recommended that the Board approve the [LRSP Staff Well-Being Goal and Action Plan](#) as presented.

Other Alternatives:

1. Do not approve the recommendation and request that administration propose changes.

MOTION	SECOND	AYES	NAYS	ABSTAIN

Topic:
Legislative Update

Background and Discussion:
Superintendent Casey Bertram and the Executive Cabinet team will provide trustees with updates and lead discussions on Montana and Congressional legislation that may affect the operation of the district.

The BSD7 Board of Trustees approved the following resolution on November 11, 2024, establishing the District’s legislative priorities for the 2025 session:

WHEREAS, [Article X of the Montana Constitution](#) establishes that the goal of the people is to establish a system of education which will develop the full educational potential of each person, vests authority over the public school system in the local Board of Trustees, and requires the Legislature to fund and distribute in an equitable manner to the school districts the state's share of the cost of the basic elementary and secondary school system, and

WHEREAS, [Article III Section 1 of the Montana Constitution](#) establishes a nondelegation principle, which prohibits one branch of government from giving another branch the power it is constitutionally authorized to exercise itself, and

WHEREAS, [20-9-309, MCA](#) defines a basic system of free quality public elementary and secondary schools, identifies educationally relevant factors, establishes school funding formula requirements, and creates a structure for legislative review, and

WHEREAS the Legislature has failed to fully fund actual inflation, leaving Montana public schools short by \$141 million, or roughly 10% of their general fund budgets, according to the Montana School Boards Association, and

WHEREAS cost of living challenges in our area have hampered the District’s ability to attract and retain qualified educators and other personnel, and

WHEREAS districts across the state are facing significant budget shortfalls, a sign of structural inadequacies with the funding formula, which has become increasingly misaligned with the definition of quality, and

WHEREAS, in September 2023, the Board of Trustees of the Bozeman School District adopted [three resolutions](#) for consideration by the 2025 legislature, and

WHEREAS multiple groups of legislators and education advocates have also started synthesizing ideas and proposing changes to Montana’s school funding formula, and

WHEREAS the Board of Trustees and local property taxpayers have expressed substantial concern about the increase in local property taxes, compounding the cost of living issues, and

WHEREAS [Article V Section 11 of the Montana Constitution](#) prohibits appropriations “for religious, charitable, industrial, educational, or benevolent purposes to any private individual, private association, or private corporation not under control of the state,” and

THEREFORE, BE IT RESOLVED THAT THE BOZEMAN PUBLIC SCHOOLS BOARD OF TRUSTEES:

1. Advocates for a funding formula better aligned to all aspects of the definition of free quality public education prescribed in 20-9-309, MCA as mandated in Article X of the Montana Constitution, specifically including addressing the identified inflationary shortfall, the needs of urban schools with high population density, and the ability of school districts to attract and retain qualified educators and other personnel.
2. Urges the Legislature to review the definition of quality education in 20-9-309, MCA to ensure it captures and accurately represents ALL of the services students, families, and community stakeholders expect public schools in the state to provide.
3. Encourages the legislature to explore and approve alternative tax and funding methods to relieve the upward trend of property taxes.
4. Opposes the implementation of any public-school voucher program or other school privatization effort that would allow state funds to be used for tuition or costs associated with private education in violation of the Montana Constitution.

Encourages our community to engage in meaningful and productive dialogue with their corresponding legislators about their responsibility to fulfill Article X of the Montana Constitution.
