STUDENT AGENCY STAR

of the Week

*Granville Elementary
School*

Angel

Angel is a 5th-grade student who has been a bright spot at Granville since he started Kindergarten! He is always positive and willing to lend a helping hand. Angel is the first to greet you with a smile and strike up a conversation! He loves to tell you all about his family and his adventures with them. Angel is also always willing to help translate in the office if there is a student who speaks Spanish. He is a friend to all and knows most, if not all, of our staff members! Even if Angel is going through challenges, his outlook on life is optimistic, and he truly brings joy to all who know him. We are so grateful for and proud of our funny, sweet friend, Angel!

PROJECT MOMENTUM TRAILBLAZER SPOTLIGHT

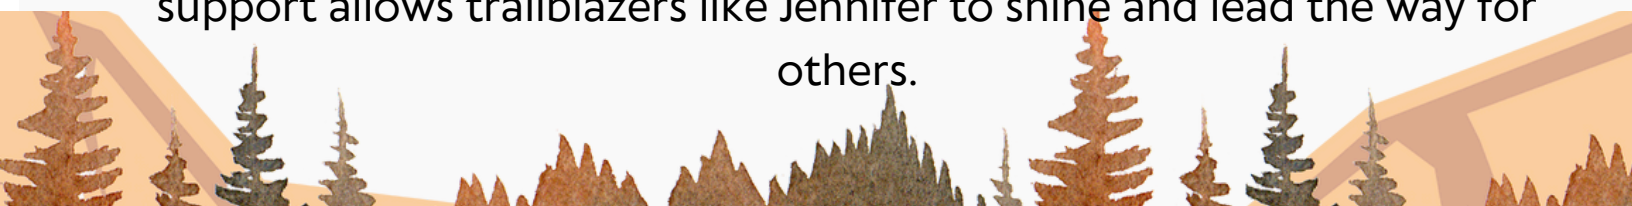

With deep appreciation and admiration, we proudly present this Trailblazer Award to Jennifer Torp for her unwavering dedication, innovative leadership, and impact on our learning community.

Jennifer consistently leads with heart, purpose, and vision. Through data-driven PLCs, she empowers colleagues by identifying student needs and sharing instructional strategies that move students forward. Her leadership ensures our work is meaningful and impactful.

She brings positivity and enthusiasm into every space—welcoming others with kindness, offering support without hesitation, and uplifting those around her, especially during moments of challenge or doubt. Her presence reminds us what it means to be a collaborative and compassionate educator.

Thank you to Principal Michelle McCabe and Assistant Principal Pam Clark for fostering a culture where leaders like Jennifer Torp thrive. Your support allows trailblazers like Jennifer to shine and lead the way for others.

We're incredibly proud of our talented young musicians who recently represented HUSD at The 2025 AMEA Arizona All-State Band, Orchestra, and Choir Festival at NAU in Flagstaff! Their hard work, passion, and dedication truly shined on this statewide stage.

The HES Pandas are loving the generous grant awarded by HEF to Mrs. Reynolds for her STEAM class! The new supplies have sparked creativity, curiosity, and hands-on learning for our young innovators.

Thank you, HEF, for fueling bright minds!
