## AP SATURDAY REVIEW

To support your preparation for the upcoming AP Exams, the District is offering additional review sessions on certain Saturdays. These sessions are open to all Ramapo Indian Hills students registered for the Spring 2025 AP exam administration. Please take a moment to review the schedule (link below) and register for the sessions that best suit your needs. Important Notes:

- You may attend any session, even if it's not with the teacher or in the building where you typically have class.
- Registration using your student RIH email address is required. Please register for each session by 3 p.m. on the Friday before the session using the provided link. Sessions with low enrollment may be subject to cancellation after this time. Each Saturday has its own registration link, so be sure to use the correct link for each session.
- The campus buildings will be locked, so you will need to meet your teacher at the front entrance at the start time of the session.

We encourage you to take advantage of this opportunity to reinforce your understanding and boost your confidence as you prepare for the AP Exams. Please note that students who are enrolled in AP United States History 1 do not sit for the exam during this school year. The AP United States History exam is taken during the AP United States History 2 course. To access the schedule of sessions, please [click here](#).
