

**ELIZABETH SCHOOL DISTRICT
2021/2022 SALARY SCHEDULE**

ACTIVITY/CLUB SPONSOR SALARIES 2021-2022

1. The salary schedule is based on receiving a percentage of a base salary of **\$30,000**

2. Activities/Clubs are divided into major, minor, or honorary categories depending on the amount of time put into sponsoring the group. The time amounts recommended are: Honorary - 10 to 25 hours; Minor - 26 to 40 hours; Major 62 to 99 hours; and Extended major - 100 hours or more.

3. Category assignments will be approved depending on how much time is required outside of regular school work hours to supervise the activity. Status of category assignments are reviewed at the end of each school year.

4. No experience factor is figured into these percentages. As new clubs are approved, category assignments will be decided. Not all club activities will be eligible for sponsor pay (a clear tie to academics is usually required).
