## "Youth Looks to a New Era"

How fortunate we are to be living in this day and age when the wonders of nature are being made manifest to us through science. In our everyday lives, we are constantly aware of the magnitude of man's ingenious achievements. Recent years reveal how he has opened the door to immense advancements, how he has seen the gratifying results of his rigorous toil and research, and has indeed attained the pinnacle of his ambitions.

In this continual struggle for human betterment, he has seen the sick and maimed cease to suffer and die. He has seen men aspire to conquer space; and motivated by the incentive of self-preservation, create atomic and hydrogen munitions, which if not properly harnessed, could turn on their master and cause his annihilation.

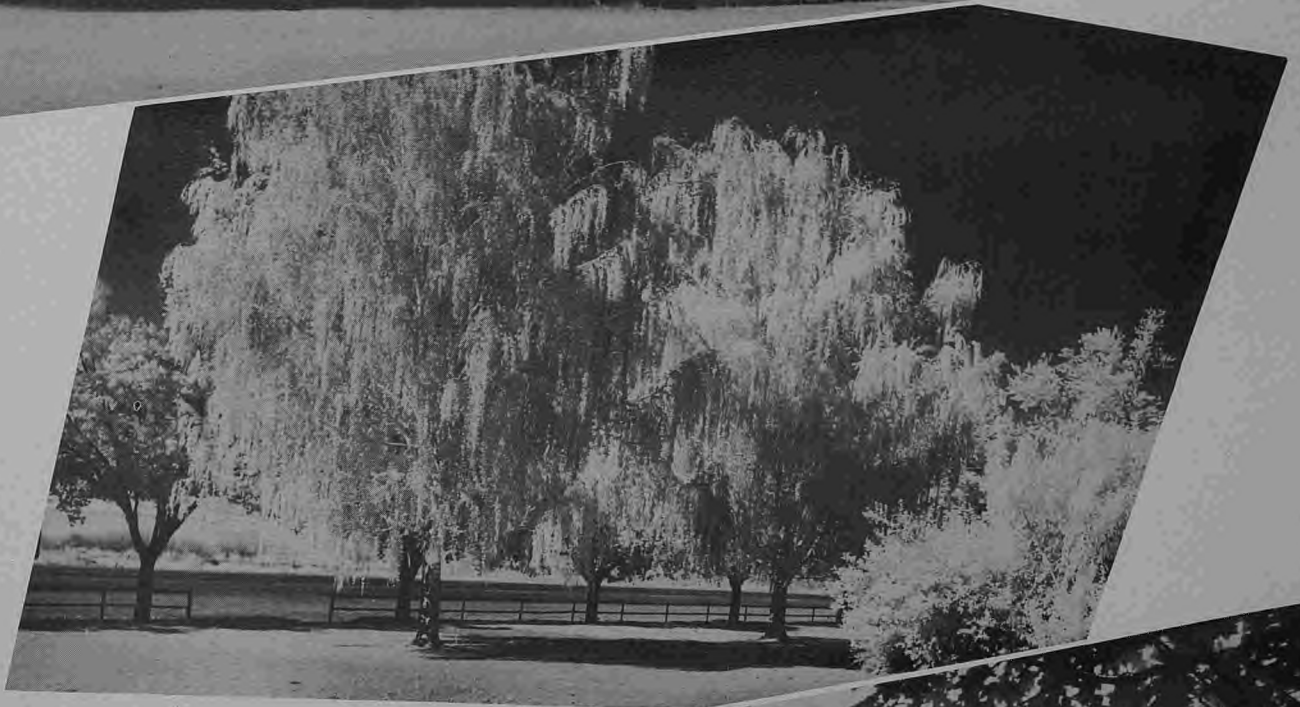

Man has created these things for himself and his posterity, but knowing no bounds can yet perceive even greater feats. We, as the youth of the nation, may ascend to heights our parents only dreamed of as we inherit the reins of power. For as we stand at the threshold of the future and contemplate the beginning of a new era, our eyes must discern vast horizons in science, medicine, economics, and international relationships. Our parents, fellowmen, and children shall look to us for the leadership, wisdom, and fortitude to shoulder the great responsibilities that will be placed upon us. We are now molding our ideals, our dreams, and our abilities to accomplish great deeds through which we can prove our merit as we render our service to humanity. Some of us may realize our desires to grasp the fame of success and enjoy the prestige that accompanies greatness.

Yes, Youth, the world is looking to you; the new era is yours.

Ruth: With your  
ideals, sweet  
personality and  
scholarship  
success & happiness  
will be your lot.  
Thanks for your  
fine help and  
for being such  
a fine girl

ASSOCIATED STUDENTS OF NORTH CACHE

As youth looks to a new era, the doors of knowledge stand open waiting for the eager, inquisitive and industrious student to enter. Inside are formulas for computing scientific and mathematical wonders; inside is an enriched curriculum offered for the development of the student in the fundamental skills of education; inside are opportunities.

Dear Ruth,  
 It seems funny writing in  
 this year book in Church. I  
 hope you see me (gasp!)  
 You kids of the third board  
 really supported our games  
 with this year and it really  
 means a lot when you're a  
 cheerleader. Your friendship  
 has meant much to me too,  
 more than you know. I'm in  
 church than school. (woops, ex-

 I hope our friendship may  
 grow as the years pass. I can  
 only hope you have your most

## POINT SYSTEM

A new merit system has been initiated into North Cache whereby students who have received the best grades and participated in the most activities were given top honors. Awards have been made to those who earned the highest number of points for designated activities and grades combined. Approximately the highest 20% of the senior class were included.

## CITIZENSHIP AWARDS

The Kiwanis Club of Smithfield gave citizenship awards to a boy and girl who earned the highest number of points under the new system. Marilyn Plowman and Lionel Benson were given these awards.

## "Sacred Halls of North Cache"

Oh, we love the halls of North Cache -- These strains floated through the school, as those who have left North Cache returned to prove their loyalty and devotion. The assembly and dance were done in true Bulldog spirit, and the alumni proved that "part of every heart still lingers here".

## "Green Door"

A new dance, the "Fall Flip," was officially added to the N. C. calendar of events. Girls polished their cars, saved their money, and finally overcame their shyness. Each asked "Prince Charming" to accompany her, and all forgot themselves in an attempt to guess the secret of the "Green Door." The "weaker sex" can take pride in a very successful evening.

### "Written on the Wind"

Exquisite decorations and an air of enchantment made the Junior Prom one of the highlights of the year. The theme, "Written on the Wind," put everyone in the mood for dancing (or dreaming).

## Spring Hop

Most preferred men: JERRY WOODLAND, Sophomore; GORDON JESSOP, Senior; SCOTT THEURER, Junior

### "Moonlight Love"

The Spring Hop provided a fitting climax to a year of very successful dances. Girls danced with their dates to the strains of "Moonlight Love," while a romantic moon shone down through the deep purple and lavender decorations.

## Girls' Sports

Girls who are interested in sports were given a chance to participate on the intramural program. Many organized into teams to compete for the basketball and volleyball championships, and some matched their skills in the badminton tournament. As well as having a lot of fun, these girls provided the students with fast-moving entertainment.

AMERICAN LEGION ESSAY CONTEST

KAY BERNHISEL, First place and also first in the region; JANICE SMITH, Second place; RODGER POND, Third place.

## Commercial

North Cache was very successful at the annual Commercial Contest held at the Utah State University on April 10. Our shorthand team took top honors, and Sandra Hyde won a scholarship for her skill in capturing first position.

## Speech

These students have represented North Cache in Speech Activities in Region One. The Debate Team received valuable experience when they competed in the Weber and Region Forensic Meets. The orators represented our school very well at Region when Eugene Larkin and Margaret Deleuw merited the opportunity to attend the State Oratory Contest. Six students represented North Cache at the annual Poetry Festival on April 27 at the Utah State University. Rodger Pond received "Outstanding Superior" rating. Problems faced by today's youth were discussed at the Youth Conference held at Bear River High School. Seven representatives from nine region schools participated.

# Assemblies and Things

We appreciate the efforts of our cooks who have worked to prepare fine meals each day.

Thanks to our night watchman for the service he renders in guarding North Cache.

## Our Co-Workers

Thanks to our faithful janitors, the building is always clean and in good condition.

We wish to thank our patient and safety-minded bus drivers for transporting us to and from school.

Dear Ruth (best friend)

Well I guess we have finished our Junior year at dear old North Lake. Just think one more year to go and we'll be all through at our Alma Mater; then we will probably go our separate ways. Oh well so much for wishful thinking. These past few years I have known you have been some of the best in my life. Remember when I came to Junior High in the eighth grade? Remember how scared of everything and everybody I was. Then out of the clear blue came you to the rescue. Well you helped me along in the eight, ninth, tenth, eleventh and I hope the twelfth grade. Anyway I hope we shall never ever have to part from each other. In a way, Ruth, you are my seventh sister or another addition to our family. I hope you know that you are always welcome at our house. I have really enjoyed knowing and associating with you these past four years and I hope our friendship will last until the end of eternity. I have appreciated everything both you and your family has done for me. You are a very priceless jewel to this world. Love truly the world when you leave it behind. Well so much for this sentimentality. I am looking forward to our last year together at North Lake. We'll really whoop it up in our last (day) at school. Me and you & the rest of the gang will make dear old North Lake remember us this next year. Anyway we will all have our memories to live with.

Lots of Luck, Success & Happiness in the future to a very deserving girl  
A friend forever, Karen (bubble or filler)

Dearest Ruth,

III

Well, at last the moment has arrived and I can stop and write to you. Really if I had, had my way you would have been one of the first. You truly are one of the dearest and sweetest friends I have ever had. There are not enough words of thanks to express my thanks and appreciation for your wonderful friendship and for just being you. You shall always hold a place in my heart.

Your party for Shana there was wonderful and it showed the kind of person you are; I know she will always remember it. Looks like I have taken my share of <sup>(mine)</sup> space but I could have filled two pages on your wonderful qualities (I don't believe you have any bad ones).

Wishing wishes of success and happiness,  
Cather Jane
