## FOREWORD

While some of our boys are being called into the armed services, the rest of us are here at North Cache still enjoying the freedom for which they are fighting.

These are never forgotten days, spent strolling the campus, working together in the classes, and meeting in the halls where we gathered to discuss the dances, games, examinations and all the happenings of the weekend. All these things together make an essential part of our education.

Perhaps we didn't all get the best of grades, but we feel that we can now more efficiently face the problems of life that we must meet in the future.

## DEDICATION

We dedicate this 1945 *Polaris* to those former students who have been killed in this present world war. We realize the supreme sacrifice that they have made, and it is our duty as President Lincoln so nobly stated: ". . . It is for us, the living, rather to be dedicated here to the unfinished work which they have thus far nobly advanced. It is rather for us to be here dedicated to the great task remaining before us; that from these honored dead we take increased devotion to that cause for which they here gave the last full measure of devotion; that we here highly resolve that these dead shall not have died in vain; that this nation shall under God, have a new birth of freedom. . . ."

At all seasons of the year, our campus is something to be noted with pride and admiration.

All through the school year the spacious lawn offers a place of constant enjoyment to all of the students.

Carrying the spirit, traditions, and respect of the student body of the Associated Students of North Cache, these executive officers have represented the school during another all-important war year. They have upheld and met well the standards, traditions, and "Spirit of North Cache" through their many activities and fine personalities. President Larry Lower, tall, good-looking, and efficient; Vice-President Marilyn Tibbitts, popular co-ed with a winning smile; Secretary Marva Johnson, up-and-going hard worker—in these three, the students found confidence and respect for leadership.

"We as student body officers appreciate the fine spirit of cooperation, and wish to congratulate the students of dear old North Cache on a successful year. We appreciate the privilege of being chosen to act in this capacity, and wish to thank our advisor, Mr. Bair, and the many students who helped in making the activity program a success."

"Live fair, be square, and hit the line hard," was the motto of our fighting football team of 1944-45. Our plucky Bulldogs are to be highly commended on their fine sportsmanship which endures until the last gun goes off.

They were victors over Logan High, which meant another Captain's Jersey added to our trophy case.

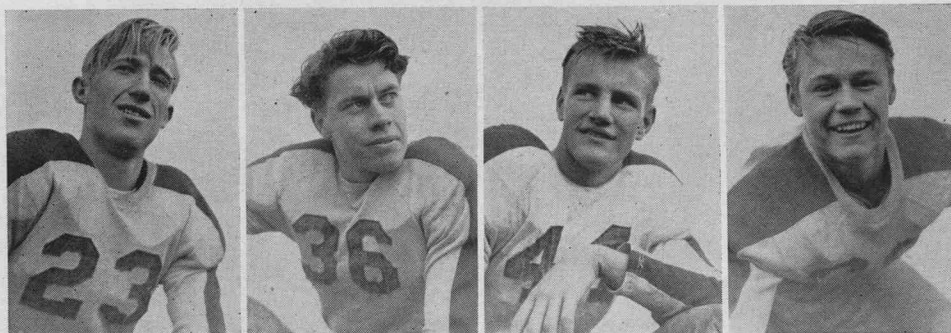

Chief Mentor Hebe Whiting's excellent example of clean living won the love and admiration of the boys and the fans.

Basketball fans were well satisfied with the games of 1944-45. This was evidenced by the record-breaking crowds at the Box Elder and South Cache games. All seats were sold in less than an hour, and two thirds of the orders had to be turned away because of the lack of seating capacity.

Strict adherence to the training rules, excellent cooperation, sportsmanship, good coaching and smooth playing ability account for the success of our team.

Competently coached by Jay Whitman, who is a constant strength and inspiration to those under his direction. He is a lover of sports and people, which are necessary requisites for a good coach.

*The 1945 Polaris*

The Plant Medal was awarded to Jack Christofferson for his achievements during the past four years. The award is based on scholastic rating and character, in addition to activity in athletics.

Jack played basketball for two years and was captain his last year. He was a track letterman for three years. He also acted as Student Judge his senior year. To him we wish to say,

"Congratulations,  
Jack."
