Spacious lawns, shrubbery touched with the blazing colors of early fall, the crisp golden leaves - - - A blanket of soft snow, trees and branches heavily laden with diamond-like robes - - - - Tender blades of grass, delicate leaves and flowers again peeping forth with new life and color - - - Autumn, winter, or spring, there are many things that contribute to the beauty of our campus.

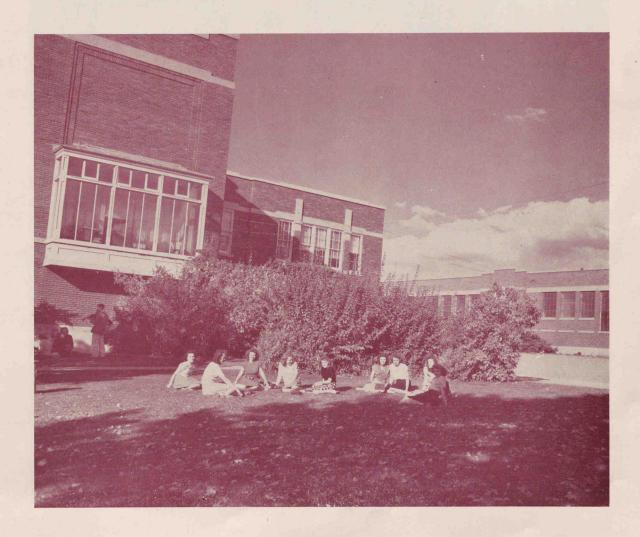

Though, when our school days are over, we will leave North Cache and our dear classmates behind, we can take with us many cherished memories. And when we thumb through the pages of our Polaris, though we may be many miles away our hearts will be back at dear old North Cache, and we will relive many of the happiest moments of our lives.

Dedication

We dedicate this 1948 Polaris to you, the students of today—the men and women of tomorrow. Your daily lives and habits now determine the kind of men and women you will be in the world of tomorrow. The future will be placed in your hands—it will then be for you to decide whether the world will be happy and prosperous, or ruined by the destruction of war. Our North Cache is one of the stepping stones to lead us to the kind of a tomorrow we would like to have—one of knowledge, peace, and joy. May we take advantage now of these things that will prepare us for the great task ahead.

We need guidance in order that we may follow the pathway to a bright future. For this purpose we have our capable teachers and our wise leaders. We must learn to follow their counsel that we may be prepared to be leaders and teachers to those who will follow.

Junior Class Officers

GERALD HANSENPresident

BEVERLY JONESVice-President GLORIA THURSTONSecretary

GERALD HANSEN—Girls and sports occupy his time, but he found time to lead the class through a prominent year. He says his prayers at Hyde Park every night and from the success of the Prom, they do get answered.

BEVERLY JONES—The Junior vice prexy is a bundle of personality, brains, and good sense. She practices up on her musical ambition in Newton.

GLORIA THURSTON—This gal, known as "Tiz" to her friends, is what helps to make school life enjoyable. She is a Hyde Parker who is considered "tops" by everyone. Her ability has been proven this year even though most of her time is occupied by "Wilk."

The Junior Class Officers have led the Juniors through a triumphant year, the highlights being the very successful Junior Prom and Assembly.

Sophomore Class Officers

MAX	COOLEY	 President

ARLENE MEYER Vice-President JOYCE PETERSON Secretary

MAX COOLEY—This athlete from Newton, with his winning personality, has won the all-around favor of the students. He has proven his leadership ability in this year's work.

ARLENE MEYER—This Vice-Prexy is a true "honey-bee" from Smithfield. She has musical ability, which ranges from jazz to classics. Her magnetic personality and ability has made her a capable leader.

JOYCE PETERSON—This Secretary of the "Greenlings," who comes from Hyde Park, is full of pep and vitality. She has been a great asset to the Sophomore class.

The Sophomore class will long remember those awful days of long skirts, pig-tails, knickerbockers, and no makeup. But even through all this, they were good sports and came out as loyal Bulldogs.

Activities

are an essential part of our school. They not only afford us opportunities of development in true democratic principles of life, but they are an outlet for the display of talent and ability. They serve to more closely unite the students and motivate enthusiastic loyalty for our Alma Mater.

Alpha Cheta:

This selective organization for girls is proud to wear the colors of maroon and white. Ruth Done, President; Trudie Hoffman, Vice-President, and Norine Poulson, Secretary; with Miss Pugmire as advisor, have worked diligently to make this a top year. They have sponsored a rally, assembly, marched at games, helped with "Polio Drive," combined with the Boosters in presenting the "Sweetheart Ball," and been very outstanding in other school activities.

Forever in memory will be the banquet and the rugged but fun antics of initiation week, the joy of winning a hard-fought ball game, and the everlasting thrill of the "Candlelight Ceremony" making them full-fledged members.

Boosters:

The Boosters, one of the oldest clubs of the school, was organized in 1929, for the purpose of boosting school spirit and supporting school activities with cooperation and sportsmanship.

This swell bunch of "rough and readies," under the leadership of Dick Hendricks, President; Lynn Spackman, Vice-President; and Norval Jones, Secretary, with Mr. Darley, Advisor, participated in a rally, assembly, and together with the Alpha Theta, made the "Sweethearts Ball" successul.

They enjoyed seeing new members receiving their "Paddlings a la Rough" and anticipated chocolate cakes during initiations.

Cosmo Nu:

A new and energetic club on the campus is led by Carma Olney, President; Laura Jean Weeks, Vice-President; and Mozelle Leavitt, Secretary, with Mrs. Ballam as advisor. Their aims are to promote scholarship, school spirit and friendship.

This year they have done much to strengthen their organization and stimulate activity, such as: bought new maroon sweaters, held a banquet, adopted a school overseas to which they send CARE packages, and sponsored a rally and an assembly.

Sophomore Pep:

Although they're just "beginners," they have real spirit and spunk that make them true "Bulldogs." Guide by Elaine Spackman, President; Jeanine Hansen, Vice-President; and Ardean Albiston, Secretary; with Advisor Miss Fisher, they have taken active part in arousing "pep," bought new white sweaters, sponsored rally, assembly, and participated in other school activities.

This club is the largest in the school. It encourages school spirit and develops a united feeling among the Sophomore girls.

"Mr. Bean From Lima," was one of the most acclaimed comedy plays ever presented to the audiences of North Cache, Preston, and South Cache. It kept everyone on the edge of his seat with its rollicking humor, fast-moving action, suspense and romance.

Our "hats off" to Miss Bunderson, our new and very capable dramatic coach, the cast, and staff for their grand performance.

Someone said, "Without a song the day would never end," and everyone should agree that without music at N. C., our days would be pretty dull. The talents of our musical organizations are displayed in so many activities, it is impossible to enumerate them all.

With the appropriate theme of "Shine On Harvest Moon," our annual Harvest Ball, sponsored by the F. H. A. and F. F. A., proved once again to be a tremendous success.

Spring was ushered in a little early this year as the melody of "My Wild Irish Rose," the theme of the 1948 Junior Prom, re-echoed in the ball spotlighting the Junior Class.

В A L L The "Sweetheart Ball" set to the captivating refrain of "Old Black Magic" was one of the highlights of the year. The Alpha Theta and Boosters collaborated with each other to make this event very successful.

Just good old-fashioned fun was enjoyed by all those who attended the dances after the games. The photograph itself, appropriately describes these dances.

A very inexperienced group of Northcachians found that compiling a yearbook and getting it published was quite some task, but if its contents revive some of those never-to-be-forgotten high school memories in years to come, our many efforts will have proven fruitful. May we extend our sincere appreciation to our advisor, Mrs. Gardner, who has helped us so much.

Working under the false impression "we still have plenty of time," our Norcachian Staff, with the able assistance of Mr. Perkins, were kept on their toes to bring us our school paper. We all looked forward to the school paper. Heber Whiting Coach

Captain

Led by Captain Webb, our team under the skillful guidance of Coach Whiting, succeeded in tying for second place with South Cache after many a hectic battle with opposing teams after opening the season with an impressive 26 to 6 victory over Weber. They came up against a spirited Spartan eleven and emerged on the short end of the 12 to 6 score. We then went on to win over Boxelder 14 to 6, our first victory over them in three years. In a midseason slump we tied Bear River 0 to 0 and then lost our last game to Logan 36 to 10. Thanks to you fellows for your fine work.
