In the world of today our campus life lives as a symbol of our school's greatness. The green leaves and the beautiful shrubbery affront a pleasant background for our activities and the grind of our daily pursuit of knowledge.

DEDICATION

AS the clock of time ticks away each passing second, the lives of us students are being lived. Our life at North Cache is ending for some, and for others just beginning. In our life of tomorrow we can look back to the joy and sorrows of campus life at North Cache, and those thoughts will be among our most cherished memories. With this in mind we dedicate the 1946 Polaris to the students of today—citizens of tomorrow.

IN MEMORIAM

TO A FRIEND

*Fast as the rolling seasons bring
The hour of fate to those we love,
Each pearl that leaves the broken string
Is set in Friendship's crown above.
As narrower grows the earthy chain,
The circle widens in the sky;
These are our treasures that remain,
But those are stars that beam on high.*

SENIORS

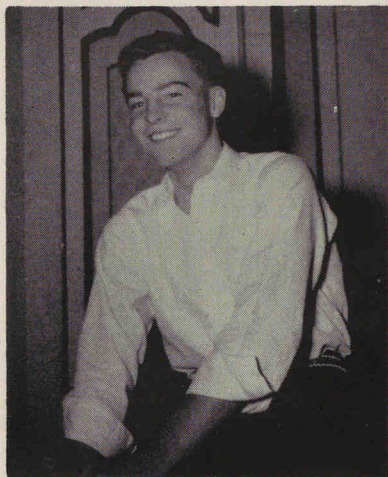

We seniors are leaving North Cache with misty regret in our hearts. We'll never forget all the fun of high school days. We leave to you, the juniors and sophomores, the privilege of being the "high and mighties," the initiators, and no longer the "greenlings". Keep up the greatness of North Cache traditions and that flag of Maroon and White flying.

This year's class officers have guided another group of Bulldogs through the mill. They have sponsored rallies, assemblies, dances, and helped boost school spirit. They have made the year '45-'46 a happy and successful one for all.

Weber afforded North Cache with their first

clear victory as the Bulldogs bit the Warriors to the tune of 12-0. Bear River went home scoreless as they took a swamping defeat of 43-0. North Cache's homecoming saw a hard-fighting gang of Bulldogs go down for the

first time on a rain-soaked field at the hands of the Box Elder Bees 12 to 7. North Cache's sweater collection welcomed a new addition . . . that of Captain Jay Van Noy's when he

led his team mates to a glorious and muddy victory over Logan.

Norcachians will always remember '45 as a great year of football . . . we will remember the look on the team's smiling faces at the winning of a victory . . . their power and determination in a struggle . . . the honor of hav-

ing LeGrande Weaver on the all-state team . . . Jay VanNoy and Bruce Hymas on all-region. We will remember Coach in his rain coat and five gallon hat . . . the line which held hard . . . Yes, we will never forget football in

'45 . . . and to our team we say, "Congratulations, you did the Maroon and White proud."

STATE CHAMPIONS

KNEELING: Cleon Hodges, Jay Griffin, Jay Van Noy, Leon Webb, Dean Bergenson, Richard Bagley, Manager.

STANDING: Bud Porter, Leon West, Nathan Done, Coach Jay Whitman, Max Christensen, Grant Ballam, ClaVel Haslam.

The echoes of 1946 basketball will ring loud and long in the ears of a proud school. The sportsmanship, fair play, and courage of a determined band of Bulldogs will remain part of our hearts forever. We will always remember them as the first STATE BASKETBALL CHAMPIONS from North Cache. Coach Jay Whitman, and Captains Nathan Done and Jay Van Noy led this championship team through a season which will never be forgotten, a season of thrills which only a team as they could provide. A season climaxed with the realization of a goal which had long lodged in the ambitions of Norcachians . . . the State Basketball Crown. This team will wear the crown proudly and honorably, remembering a year of keen competition and hard-fought battles.

Starting off on the wrong foot, they fought the first game of the season with great power and skill, but the luck was with Box Elder, and the Bees took home a thrilling contest with but one point to spare. The Bulldogs bounced back with greater power to take the measure of Weber, South Cache, Bear River, and Logan.

The Bees seemed to have a jinx on the Bulldogs by outscoring them again in the second round of play. North Cache bit hard on the remaining battles, though, and the scores of the opposing teams just couldn't equal those of our team. Our squad of Maroon and White finished in region play with but two losses in second place, and with an invitation to the State Class A Tour-

ament held at Ogden High School, March 14, 15, and 16.

Whitman's boys made the Granite Farmers yell "Uncle" in their first game as they took the laurels by a score of 24-18. The second day provided an upset over Box Elder in a game that is classed among the unforgettables. The Bulldogs grabbed the big end of a 31-29 score in a thrilling game, broke the jinx with their rivals and proved to all that they had the stuff from which champions are made.

This fact was seconded with the 32-18 win over the East High Leopards in the final round of play. A contest in which the team played their hearts out, the fans yelled their lungs out, and the game which gave North Cache an honor never before received.

This year of basketball will be remembered for the long rides on the buses, the huge crowds, the competition at half-time, the singing of the school song surrounded by the Maroon and White light of a shining N. C., the three days of parading the streets of Ogden with flashy North Cache buttons on our lapels, the waiting in line, the suspense before free throws, the scoring of Done, the dribbling of Van Noy, the greatness and determination of a grand team, through which we realized the laughter, thrills, joys, and tears of happiness at winning and becoming the Utah State High School Class A Basketball Champions for the year 1946.

Plant Medal

Congratulations are now in order for Jay Van Noy, this year's winner of the Plant Medal. Jay won this because of his outstanding achievements in athletics during his three years at North Cache.

He participated in basketball, football, and track acting as captain for all three of them in his senior year. He earned his basketball letter during his sophomore year, his football and track letters in his junior year. Early this season he was chosen on the all-state and all-region football team. Later he was picked on the all-state and all-region basketball team; acting as the captain for each group. He has also entered into many student activities and we feel that he has richly earned the honor now given him.
