Situated on a hillside overlooking the valley, the familiar brick walls, the spacious lawns, the beauty of the willow trees, the maples and the plum trees make this a happy place for us to learn and grow in.

FOREWORD

Not as a journal, a complete record . . . just an outline, brief notes to arouse memories of study, sneaking in the hot lunch line, dashes to Seminary, Rallies, Bus rides, sunny days on the lawn, our happiness . . . the things that will stand out on this page of life's book.

We present our 1947 Polaris as a storehouse for us—the students of North Cache High.

DEDICATION

Dearest Doyle,

Here's our star athletic
manager and baseball player.
It sure is slick the way
the girls all sigh when you
walk by. I guess it's because
Leon Webb walks beside you.
We'll take it easy this summer
and don't work too hard.

Success and happiness

your goal always

Donald

We dedicate this 1947 Polaris in the centennial year of our state, to our forefathers who settled here. We realize that only through their great sacrifice and hardships the possibility of our state came about. It was the unselfish acts of people such as they who made possible our North Cache, in which we may obtain the tools necessary for a successful and happy life.

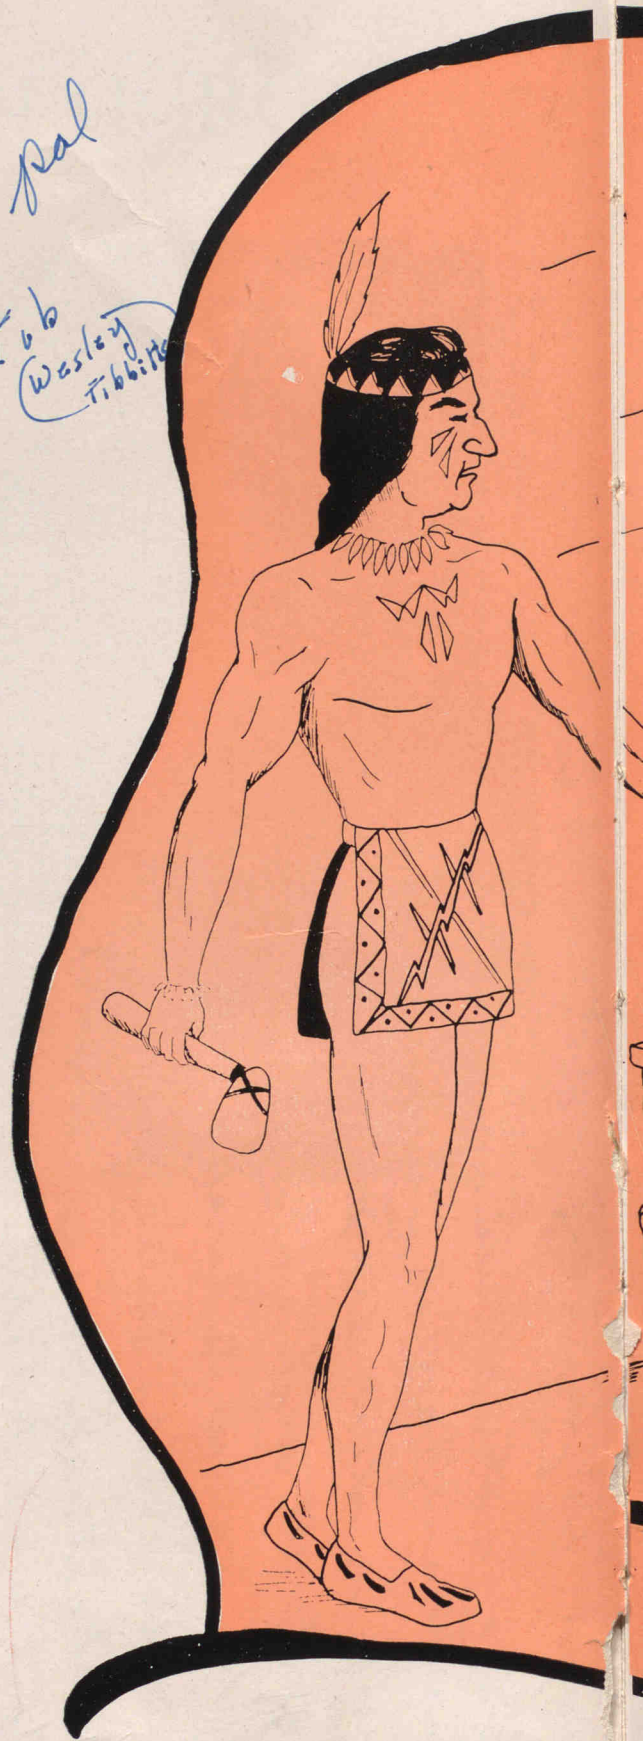

Ki there
Webb

last year and hope
to come. you have years to

CANNIBAL QUEEN

Black magic, voodooisms, and a "real-live Cannibal Queen," reigned over the annual drama, "The Cannibal Queen."

The characterization of Ju Ju as portrayed by Brenda, and the contrast when the real Ju Ju showed up will long be remembered and laughed at. Laughter, too, will grace the memory of Lucious' sprints after the "fish" engine.

The play was a tremendous success, as will be attested to by audiences of North Cache, Preston, and South Cache.

Taking size and experience, our team was picked by many to finish the season in the cellar of region one competition, but many eyebrows were raised as the team emerged victorious by a score of 13 to 0 in a practice game.

In the first game of region competition with a smooth South Cache eleven, our team came out of a hard fought battle victorious by 7 to 0 margin. Thereafter improving with every game, our team took a balky Weber team by a score of 19 to 7, and followed up by downing Bear River 27 to 7. Our team kept its winning ways by defeating Malad 21 to 0 in a practice game during the beet vacation.

After five continuous wins, we met the powerful Box Elder Bees, who had walloped previous opponents by top-heavy scores, and lost a bruising battle on a snow-covered field by a 27 to 7 margin.

Our single disappointing game was the traditional battle with Logan Grizzlies, who with a determined and rugged team, won the game by a score of 19 to 6.

We are proud of our spirited team that played hard and clean and finished the season, tying Logan for second place in region standing.

BASKETBALL

FIRST ROW—G. Hansen, D. Wilkinson, C. Hodges, R. Hodges, C. Scheidegger, R. Bagley, Manager.

SECOND ROW—L. Webb, L. Pope, G. Ballam, Captain; Coach Whitman, R. Hendricks, D. Clark, D. Bergeson.

Starting the season this year with only two returning regulars and three lettermen, Coach Jay Whitman had a small, inexperienced squad; but as the season rolled to an end, many Juniors and Sophomores were showing up, giving promise of a wealth of material for next years team.

With Grant Ballam as captain, the Bulldogs played a good brand of ball. Although winning but two of their league games, they were never out-classed by their opponents—losing many a thriller by two or three points.
